## Antioch G.S. Board Rejects Federal "Hand-outs"

The Antioch Grade School Board at its regular meeting rejected a plan to institute a remedial reading program at the school, to be financed by Federal funds under Title I.

The program was turned down by a vote of four to three. Federal funds in the amount of \$14,612 would have been available to the school.

Clifford Houghton, Oakland Grade School principal, reported details of the program to the board. The local district would not have to contribute any funds to the program. Houghton estimated that the \$14,000 would easily cover a summer program, probably with funds left over.

The Federal funds are available to districts on the basis of the number of culturally deprived children in the district. The amount is set by the number of children in the school from families with an annual income of \$2,000 or less, as shown by the 1960-62 census. There are 55 such children in the Antioch district.

However, use of the remedial reading program is not limited to the culturally deprived children. Children may be included who are not up to par in whatever subject is being offered, regardless of financial status.

Members of the board who voted against application for the Federal funds were apparently against Federal "hand-outs" to schools. Deadline for application for this year is April 16.

## Struck By Lightning, Unharmd

Donald W. Andersen, 601 Main St., was apparently struck by a bolt of lightning Monday afternoon, and suffered no ill effects other than "my ears rang for about five minutes."

Don was in his shop, working on a lawn mower, at about 4 p.m. Monday. The windows and doors were closed. Glenn Waller was with him in the shop.

"A blue ball just came from nowhere," Don said. "It ran down my arm, through the wrench, then through the mower I was working on. When it hit the mower, it cracked just like a giant firecracker going off, and smelled like something burning. I guess Glenn thought I was done for, for sure."

After the first shock, Don discovered that the lawn mower was undamaged, and so was he. Nothing in the shop showed any effect of the lightning. "I had rubbers on my feet, and the lawn mower stood on rubber tires. Maybe that's what saved me."

Don discovered later that the TV aerial on his roof was down. Whether it had been struck by lightning or blown down by the wind, he doesn't know.

Two men approaching the shop in a truck at the time reported that they saw the flash of lightning, and heard the crack, and one remarked to the other, "There goes Don's shop."

Monday's electrical storm knocked out electric service in several nearby towns, but Antioch apparently had no trouble.

board approved action necessary for the April 9 election of members of the Board of Education. Election judges appointed were Mrs. Vera Horton, Mrs. Lois Laursen and Mrs. Lila Palinski.

The board approved a seven day Easter vacation, providing that it was not necessary to use any "snow days" before that date. School will adjourn the afternoon of Wednesday, April 6, and reopen the morning of Thursday, April 14.

Superintendent Richard Whitacre pointed out that it had been unnecessary to use any snow days this winter. Last year, he said, the school board approved two extra days for Easter vacation, snow days that had been left over. By the time the board adjourned, snow was falling and it was necessary to close the school the next day because of the heavy snow.

The board accepted the resignation of David Ilum-

saker, science teacher at the Oakland School. Mr. Ilumaker will return to study for his Master's degree.

The board approved a motion to allow the 6th grade basketball team to play a preliminary game to the faculty game on March 25.

A request to hold a private party at the Oakland school gym was rejected by the board.

A motion was approved to allow Mrs. Barlow and Mrs. Bruski to attend a meeting of the AAHPER (American Association of Health, Physical Education and Recreation) in Chicago. Approval was also given to allow Mrs. Herman to attend the school nurses convention on June 20.

The board approved a motion to allow the school band to travel to Elkhart, Indiana, June 8 and 9. The youngsters will tour the plant of the Conn Band Instruments and play a concert the next day.

## Who'll Be 1966 Bridge Champ?

Who'll be this year's Champ Bridge Player? That's the question being decided in the Lions Bridge Tournament, now in its second week of play.

No one has been eliminated from competition yet. The players are divided in groups of four teams. Each team plays the other three teams in their group. The couple ending this first round of play with the highest cumulative score will go on to play the winner in another group. Second highest scoring couple will compete in a consolation round.

During the first round, Dr. and Mrs. Jim Kopriva defeated last year's champs, Mr. and Mrs. Elmer Eberman. Dr. and Mrs. Allan Thain have the highest single total score turned in for a match, 4,470.

The teams are divided into the following groups: Group 1, Mr. and Mrs. Lester Osmond, B. & G. Osmond, Mr. and Mrs. Wm. Hayden and Mr. and Mrs. Gary Richter; Group 2, the Elmer Eber-

## Decorate Eggs For Prizes

Children from 3 years old to 13 are being invited to decorate Easter eggs for prizes in a pre-Easter contest being conducted by The Shoe Box in Antioch.

The eggs can be picked up at the Shoe Box. Let your imagination run riot, kids. Eggs may be decorated in any way, and with any materials you choose.

Eggs entered in the contest will be displayed in the store. Youngsters may enter as often as they like.

The contest closes April 2 and judging will be April 4th. Judges for the contest are Mrs. Ellen McDowell, Mrs. Jane Graner and Preston Reckers. Winners will be notified April 7.

Over 20 prizes will be given for the eggs judged best. Included in the list are watches, a transistor radio, a baseball bat and glove and roller skates, and others.

mans, K. Manzardo and G. Conville, James and Helen Kopriva and J. Waring and R. Roepenack; Group 3, Mr. and Mrs. Charles Solar, Mr. and Mrs. Richard Miller, Millie Gaston and Charlotte Queen, and F. and D. Fetting-

Group 4 is Ellen Tossey and Lillian Petty, Helen Vogler and Margaret Gaston, Leona Petersen and Gerri Olson, and Mr. and Mrs. Arthur Aerne.

Group 5 is Mr. and Mrs. Dan Maras, Dr. and Mrs. F. Bobzien, Dr. and Mrs. Alan Thain and Mr. and Mrs. R. Anderson.

Group 6 is Ellen Ryan and Pat Herbert, Mr. and Mrs. Walker Lyons, Mr. and Mrs. R. Jacobsen and Mr. and Mrs. R. Lubkeman.

Group 7 is Roger Andrews and Howard Shepard, Mr. and Mrs. B. Nauman, Mr. and Mrs. Richard Harland, and Louise Murrie and Jim Fields.

Group 8 is Mr. and Mrs. R. Berg, Mr. and Mrs. Peter Poulos, Marge Beitzel and Dorothy Olson and Tom and Cathy Haley.

## Students At Lotus School Plan Trip

Eighth grade students at the Lotus School are embarking on a fund-raising project to finance a class trip to Springfield.

The students are planning several projects. One is a play to be presented sometime in April.

A substitute teacher, Mrs. Margaret ReCupido, is helping the students with their plans.

The eleven youngsters who will graduate this year will need a total of \$330 to finance their three-day trip. The trip is planned for sometime in April.

## Chamber Board of Directors To Meet

The Board of Directors of the Antioch Chamber of Commerce will meet Tuesday evening, March 29, at 7:30, at the John Romer Insurance Agency on Lake Street.

## Add Coach For Enlarged ACHS Wrestling Program

Ward Lear, athletic director of Antioch High School, reported to the Board of Education last Wednesday night on the rapid growth of the wrestling program at Antioch High.

When the wrestling program got underway in the 1960-61 school year, 23 boys participated. This past year, 78 boys took part in wrestling.

Because of the increase, Lear asked that an assistant wrestling coach be added. The board approved the move, and approved a \$450 additional increment for payment.

The last disbursement of tax funds was received by the school March 4. The \$84,365 received, along with funds of \$130,000 that had been invested, were invested in Government bills maturing from April 15 to September 9.

Martha Heindl, school

nurse, reported to the board on the operation of the Health Clinic. The nurse identifies health deficiencies in students and through the cooperation of parents remedies them. Such deficiencies in sight, hearing, etc. are most frequent.

The survey started last fall for a comprehensive insurance package for the school, with all insurance under one coverage, culminated Wednesday night with the board's acceptance of the low bid of the Kemper Insurance Co., represented by Ross Morrill of Watkegan. The bid was \$6,716.08. The insurance is effective as of April 1.

Representatives of the Student Council appeared before the board to request that seniors with a B average not be required to take final exams for the second semester. After discussion, the board refused to approve the request.

The board approved teachers' contracts for the next school year.

The High School District has entered into a program with Commonwealth Edison and Bell Telephone Co. to put all wires of utilities underground. Telephone poles in the alley south of the school are considered a hazard. The High School, the village and bordering businesses are clearing and widening the alley, which is an unloading point for buses.

The board set April 13 as the date for a special meeting to canvass the vote for school board members, and to reorganize.

Dr. Albert Bucar and Warren Polley reported to the board on the annual meeting of the Lake County Special Education District.

The board approved a number of claims for Federal and State aid. A claim for about \$10,000 under Public Law 874, applying to students whose parents are on military bases, was approved. The state provides reimbursement for about \$1,950 for the Guidance department. A claim was approved for \$1651 for library instructional material under Title 2 of the Elementary Secondary Education Act.

Spring vacation was extended as there are three unused days in the school calendar. School will recess at the close of the school day Wednesday, April 6 and reconvene Thursday, April 14.

The board members of the High School have invited the boards of elementary schools in the district to a dinner at the school Wednesday, April 27. This is an annual event.

Funeral services were held at 11 a.m. Saturday, March 19, in St. Ignatius Episcopal Church. The Rev. Theodore Bessette officiated. Interment was in Hillside Cemetery. Friends called at the Strang Funeral Home in Antioch from 7 p.m. until 9 p.m. Friday. The family asked that donations be made to the Antioch Rescue Squad or the American Cancer Society in lieu of flowers.

Because nearly 2,000 Southern Illinois University students operate motorbikes, Carbondale has been dubbed "Honda capital of the world."

## Grass Lake School Asks Tax Hike

At its regular meeting, the Board of Education of Grass Lake School took steps in planning for a referendum for an educational tax increase of 21 cents to be presented to the public some time in late April or early May.

Superintendent Schockmel stated that Grass Lake had last year the lowest educational tax rate, .650 and total school tax rate, 1.157 of any elementary district in Lake County. Because of this fact and the increased school population in the past three years, the district will have a \$30,000 deficit at the end of the present school year.

The 18 cent increase in the educational fund that was

passed in November of 1964 was levied against the 1965 tax year and this money will not become available to the district until this fall. This increase will yield about \$13,000 in new tax money and with some possible increase in state aid it may be possible to come up with a budget for next year that could come close to balancing. However, this leaves no room for improvement in the educational program, teachers' salary increase and still leaves the district with a \$30,000 deficit.

Other action taken at the

board meeting was an \$8500 tax anticipation warrant taken out against the building fund for the purpose of paying for the completion of the new addition. The following teacher contracts were accepted by the board for the 1966-67 school year: Bruce Worswick, Mrs. Barbara Smith, Mrs. Margaret Walsh, Miss Mildred LaPlant, and Superintendent John Schockmel.

Mr. Yopp and Mr. Larson were appointed as the budget committee for the next school year and will work with Mr. Schockmel in its preparation.

Discussion of a music teacher, P. E. instructor and speech teacher for next year was also conducted and the board felt that these persons and their programs are needed. When planning the budget, these areas will be taken into consideration.

## Jaycees Plan Egg Hunt

Easter Bunny time is coming, and the Lake Region Jaycees are getting ready to lend a helping hand to the busy bunny with their annual Easter Egg Hunt.

The Hunt is scheduled for April 3, Palm Sunday, this year, and will be held at the Antioch Grade School grounds. One thousand prizes will be on hand for the eager hunters, ranging from candy through kites to a couple of grand prizes—bikes.

The children will be divided into two age groups for the hunt, those from 2 to 4 years old and those 5 to 8. Grand prize for the youngest group will be a tricycle. The older group will have a chance to win a bicycle.

Every egg contains a slip of paper with a number, which will tell officials what prize the youngsters have won. The Jaycees' Beauty Queen, Linda Brown, will also be present.

Hunting will start at 2 p.m. sharp, says Vernon Burdick, chairman of the affair.

## "The Mouse That Roared"

With nary a cat in sight, directors Ken Snouse and Dan Beveroth have been leading a loud-mouth mouse on a determined chase at A.C.H.S. every night!

The spring production titled "THE MOUSE THAT ROARED" will lift its curtain at 8 p.m. Friday, April 1, and Saturday, April 2.

Cast in the leading roles are Candy Meyer as Gloriana, Rod Patterson as Tully Bascum, Esquire; Dave Chandler as Mr. Benter and Al Murphy as County Mountjoy.

Remember to save these dates April 1st and 2nd, and treat the entire family to the funniest political spoof of all!

## Present Awards To Most Valuable Players

The naming of Most Valuable Players in sports programs at Antioch High School was one of the highlights of the Athletic Banquet at the high school Monday night.

The Antioch Lions Club hosts the athletes, their fathers and coaches at the annual banquet.

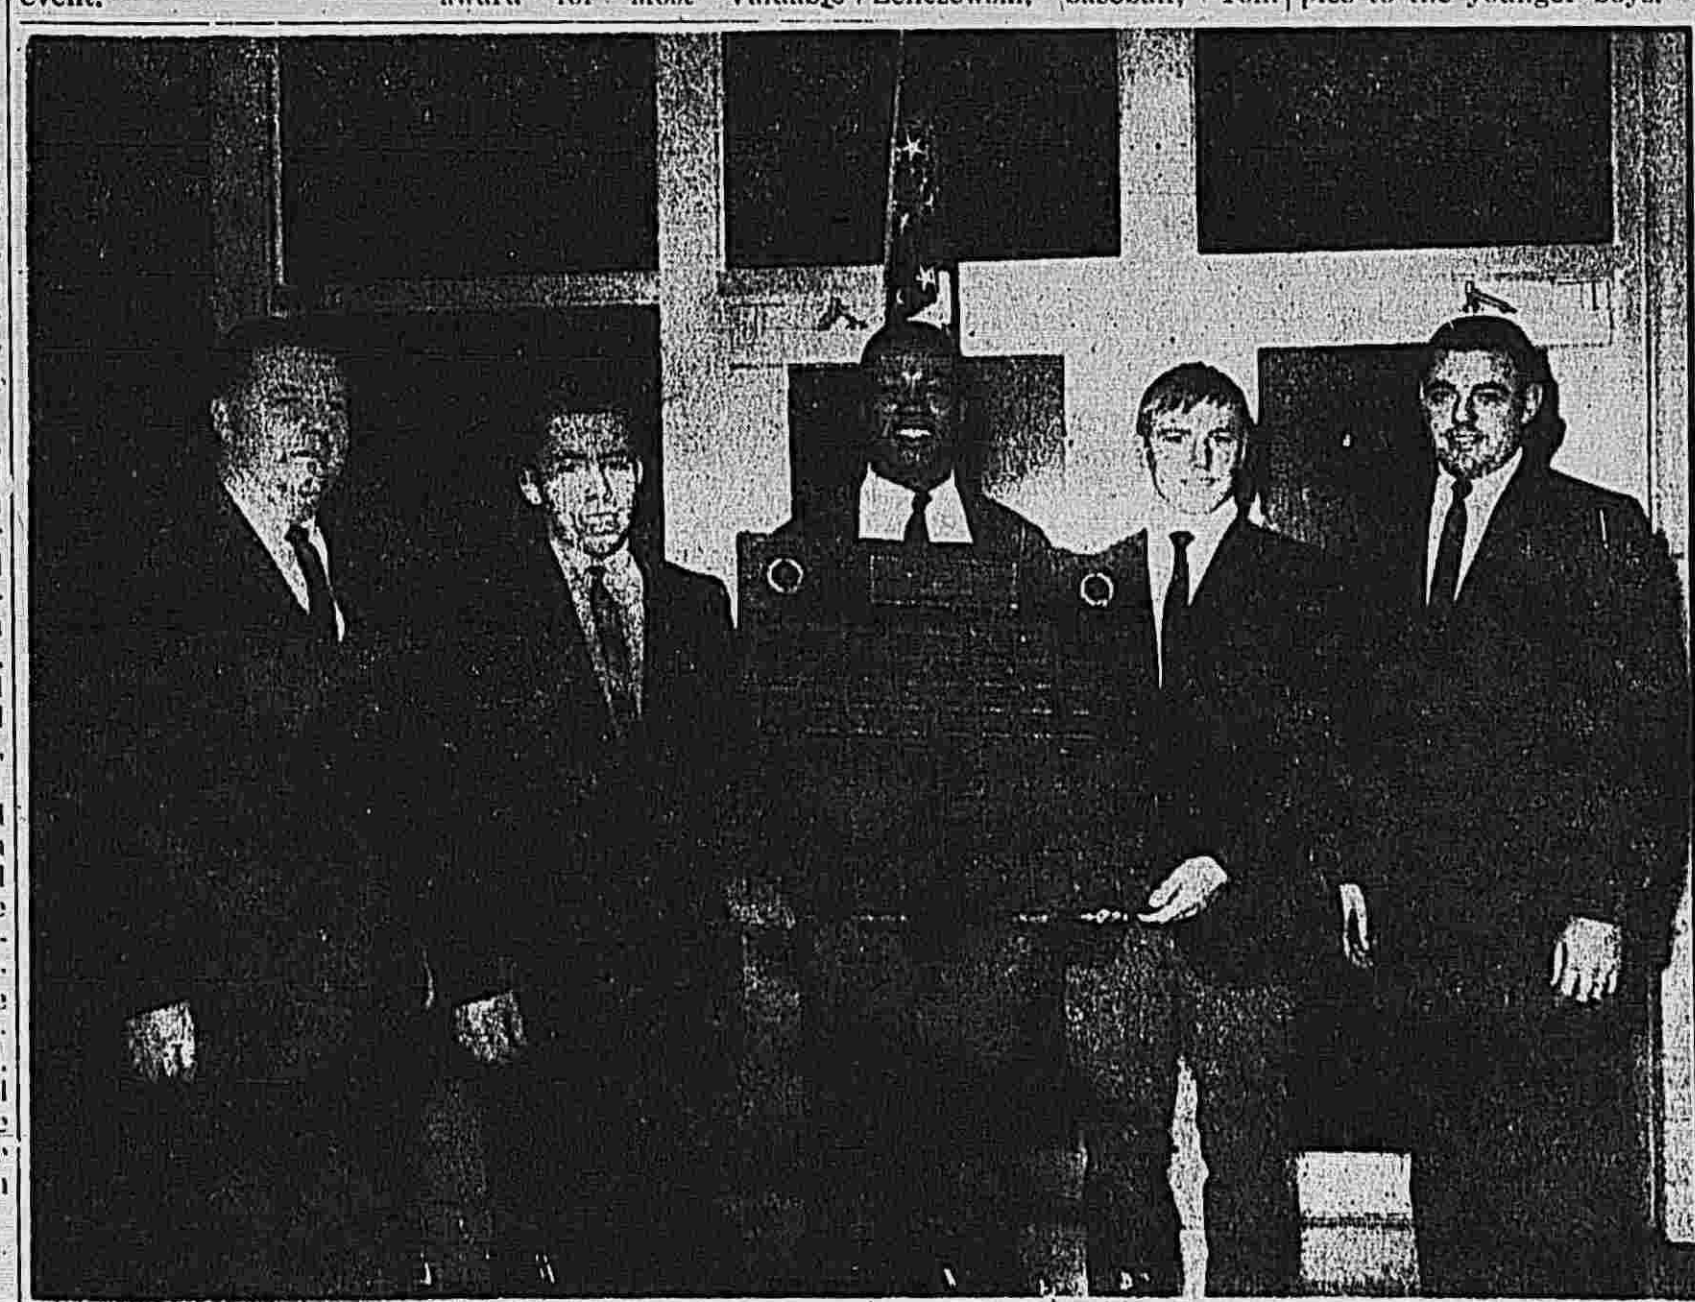

Tyrone Walls received the award for Most Valuable

Player on both the football and basketball teams: Tom Doolittle was judged Most Valuable in Cross Country competition, and Brad Ipsen in Wrestling.

Awards were also made to athletes who engaged in the spring sport program last year. Graduates who were chosen Most Valuable in their particular sport were Bob Lenczewski, baseball; Tom

Morgan, track; and Jim Steffenburg, golf.

Larry Glass, Northwestern Head Basketball Coach, was the featured speaker for the evening. Among other things, he reminded the high school athletes that they are often the idol of grade school boys and have a responsibility to conduct themselves in such a way as to be good examples to the younger boys.

Athletes at Antioch High School received awards at the Athletic Banquet at the school Monday night. Left to right, William Seemann, president of the Lions Club, sponsor of the banquet; Tom Doolittle, Most Valuable

### Klondike Derby

The annual Klondike Derby was hosted by Troop 84, Boy Scouts of America, in Lindenhurst on Feb. 26.

Fourteen Scouts from Troop 188 of Venetian Village, 12 Scouts from Troop 184 of Lake Villa, and 12 from host Troop 84, Lindenhurst, competed over the two 4-mile courses, Klondike fashion.

The derby is the highlight of the winter scouting program. In past years this was sponsored by the Northwest District, and when the district did not include the derby on its schedule this year, Troop 84 decided to fill this need. Judging by the enthusiasm generated, the derby will be an annual winter event in Lindenhurst.

### St. Mark Lutheran Church

Mr. and Mrs. Glenn Pease, Kathy Boston, Mrs. Raymond Koenen and Thomas, were welcomed into the family of St. Mark Lutheran Church last Sunday.

Thursday, March 17, at 7 p.m., is Gym night at Hooper

School for 8th graders through High School. Norbert Pischke and Fred LaChance have made the arrangements and are in charge of the activity.

Saturday, March 19, the Couples Club will have a Mardi Gras party. Couples are invited to attend in costume. They will get together at 7:30 p.m. at the church. Host couples are the Leland Hansens and the James Alfredsons.

Flowers last Sunday were provided by Mr. and Mrs. Donald Blossum in loving memory of Mrs. Blossum's parents.

### Prince of Peace Church

A Cane Conference on the Parent-Child relationship will be held at Prince of Peace Church on Palm Sunday, April 3 from 7 p.m. until 10 p.m. in the parish hall.

A trained priest from the Cane Conference office in Chicago will be the speaker.

Mr. and Mrs. Frank Skrzynecki are chairman couple; Mr. and Mrs. Ted Skora, arrangement couple; Mr. and Mrs. Donald Wismer, reservation couple; Mr. and Mrs. Tony Coia, registration couple; Mr. and Mrs. Robert Bukas, food arrangement couple; Mr. and Mrs. Lester Schuelmeister, literature cou

ple. If lack of a baby sitter will prevent you from attending, inform Mrs. Wismer when making your reservation.

The C.Y.O. Club will receive Holy Communion Sunday, March 20, at the 8 o'clock Mass.

The Club will hold a St. Patrick's Day Dance at the Lindenhurst Civic Center on Friday, March 18 from 7 to 11 p.m. All teenagers are invited to attend. The "Syns" will play. The dance will be chaperoned.

Reservations for the Annual St. Patrick's Day Dinner Dance, sponsored by the Holy Name Society may be made by dialing 356-5990 or 356-7992 before Friday. Admission for the dinner is by reservation only.

### Guest Night

Last Thursday was "Guest Night" at the Lindenhurst Women's Club.

Main topic of business was the discussion of "should the club contact residents to take a survey to determine if Lindenhurst would use a bus service, if one were made available." Members voted to phone residents. Pat Mauck is chairman.

Friday night, Jenny Volpentesta, Joy Manuel, Pat Rickey, Bridie Gibbons, Zenia

Neumann, Barbara Hendrickson, Annette Hoffman, Jeanette Margliano, Pat Mauck, Dorothy Thompson, Pat Parpan and Evelyn Swanson represented the Lindenhurst Women's Club when they visited the servicemen at Great Lakes Hospital.

### Birthdays

Birthday greetings to Linda Myslinski who was 16 last Monday. Also to our St. Patrick's Day celebrants Bob Spieg and Erna Hansen, Ray Parpan, Jr. and Marianne Ziaja celebrate on the 18th; Betty Quinn on the 19th; Frank Anderson on the 20th; and Linda Lance on the 22nd.

### Anniversaries

Anniversary greetings to George and Anne Lance who will be celebrating their 19th anniversary on March 21. The Bill Kaubs were married 27 years on the 19th. Ray and Marie Roedel will be celebrating 31 years on March 23. Best wishes to all of you.

### Boy Scout Court of Honor

The Lindenhurst Boy Scout Troop 84 held a Court of Honor Feb. 28 at the Lindenhurst Civic Center. Troop 84 has established a tradition of presenting a boy's mother with a miniature pin denoting his newly attained rank. The boys who enabled their mothers to be so honored are:

Tenderfoot, Jeff Kockler, Ken Boucos, David Buksas, Steve Lazansky, Bill Wismer, Bob and Ricky Myslinski. Second Class: Dale Nelson and Jack Blue.

A special honor was paid to star scout Mike Pearce, who having attained the age of 15, can no longer hold a troop office. Former Sr. Patrol Leader, Mike was presented with a Scout ring by the troop committee in recognition of his outstanding contributions to the success of Troop 84.

Ray Parpan, president of the Lindenhurst Men's Club, spoke on the necessity of community and parental support to ensure a dynamic Scouting program in our village.

The boys who manned the stations of the Klondike Derby Saturday, Feb. 26, were presented with waterproof match cases for their work.

Skills were put on by each of the patrols for the entertainment of all, after which refreshments were served. Mrs. Bailey presided over the kitchen.

Parents were the only babysitters, and men worked for an honest living instead of wishing for one.

## Series 65 To Supplement Medicare

A new Blue Cross-Blue Shield program has been developed to fill the gaps and extend the benefits provided by Medicare to people over 65. R. T. Evans, chief executive officer of the two plans has announced.

The new program, named "Series 65", will replace the basic Blue Cross-Blue Shield coverage of members who are now over 65, effective July 1.

Senior citizens not presently members of Blue Cross-Blue Shield will be given opportunity to join. Evans emphasized that the new program will in no way duplicate benefits available through Medicare Parts A and B.

"Series 65 rates have been set very low," Evans said. "Our approach has been to develop a structure of benefits that take over where Medicare leaves off."

The new Blue Cross-Blue Shield plan will pay 80% of deductibles and other charges included in Medicare benefits for which the patient

must pay. There is an annual deductible of \$100 and a lifetime maximum of \$10,000. For direct subscribers, the "Series 65" monthly rates per person will be \$2.85.

"The general intent of the 'Series 65' program is to extend the basic benefits of Medicare and particularly to provide additional hospital benefits beyond the 90 days provided by Medicare per spell of illness," Evans said.

## Antioch G.S. Board Rejects Federal "Hand-outs"

The Antioch Grade School Board at its regular meeting rejected a plan to institute a remedial reading program at the school, to be financed by Federal funds under Title I.

The program was turned down by a vote of four to three. Federal funds in the amount of \$14,612 would have been available to the school.

Clifford Houghton, Oakland Grade School principal, reported details of the program to the board. The local district would not have to contribute any funds to the program. Houghton estimated that the \$14,000 would easily cover a summer program, probably with funds left over.

The Federal funds are available to districts on the basis of the number of culturally deprived children in the district. The amount is set by the number of children in the school from families with an annual income of \$2,000 or less, as shown by the 1960-62 census. There are 55 such children in the Antioch district.

However, use of the remedial reading program is not limited to the culturally deprived children. Children may be included who are not up to par in whatever subject is being offered, regardless of financial status.

Members of the board who voted against application for the Federal funds were apparently against Federal "hand-outs" to schools. Deadline for application for this year is April 16.

Donald W. Andersen, 601 Main St., was apparently struck by a bolt of lightning Monday afternoon, and suffered no ill effects other than "my ears rang for about five minutes."

After the first shock, Don discovered that the lawn mower was undamaged, and so was he. Nothing in the shop showed any effect of the lightning. "I had rubbers on my feet, and the lawn mower stood on rubber tires. Maybe that's what saved me."

Don discovered later that the TV aerial on his roof was down. Whether it had been struck by lightning or blown down by the wind, he doesn't know.

Two men approaching the shop in a truck at the time reported that they saw the flash of lightning, and heard the crack, and one remarked to the other, "There goes Don's shop."

Monday's electrical storm knocked out electric service in several nearby towns, but Antioch apparently had no trouble.

board approved action necessary for the April 9 election of members of the Board of Education. Election judges appointed were Mrs. Vera Horton, Mrs. Lois Laursen and Mrs. Lila Palinski.

The board approved a seven day Easter vacation, providing that it was not necessary to use any "snow days" before that date. School will adjourn the afternoon of Wednesday, April 6, and reopen the morning of Thursday, April 14.

Superintendent Richard Whitacre pointed out that it had been unnecessary to use any snow days this winter. Last year, he said, the school board approved two extra days for Easter vacation, snow days that had been left over. By the time the board adjourned, snow was falling and it was necessary to close the school the next day because of the heavy snow.

The board accepted the resignation of David Hunsaker, science teacher at the Oakland School. Mr. Hunsaker will return to study for his Master's degree.

The board approved a motion to allow the 6th grade basketball team to play a preliminary game to the facility game on March 25.

A request to hold a private party at the Oakland school gym was rejected by the board.

A motion was approved to allow Mrs. Barlow and Mrs. Bruski to attend a meeting of the AAHPER (American Association of Health, Physical Education and Recreation) in Chicago. Approval was also given to allow Mrs. Herman to attend the school nurses convention on June 20.

The board approved a motion to allow the school band to travel to Elkhart, Indiana, June 8 and 9. The youngsters will tour the plant of the Conn Band Instruments and play a concert the next day.

During the first round, Dr. and Mrs. Jim Kopriva defeated last year's champs, Mr. and Mrs. Elmer Eberman. Dr. and Mrs. Allan Thain have the highest single total score turned in for a match, 4,470.

The teams are divided into the following groups: Group 1, Mr. and Mrs. Lester Osmond, B. & G. Osmond, Mr. and Mrs. Wm. Hayden and Mr. and Mrs. Gary Richter; Group 2, the Elmer Eber-

## Add Coach For Enlarged ACHS Wrestling Program

Ward Lear, athletic director of Antioch High School, reported to the Board of Education last Wednesday night on the rapid growth of the wrestling program at Antioch High.

When the wrestling program got underway in the 1960-61 school year, 23 boys participated. This past year, 78 boys took part in wrestling.

Because of the increase, Lear asked that an assistant wrestling coach be added. The board approved the move, and approved a \$450 additional increment for payment.

The last disbursement of tax funds was received by the school March 4. The \$84,365 received, along with funds of \$130,000 that had been invested, were invested in Government bills maturing from April 15 to September 9.

Martha Heindl, school

nurse, reported to the board on the operation of the Health Clinic. The nurse identifies health deficiencies in students and through the cooperation of parents remedies them. Such deficiencies in sight, hearing, etc. are most frequent.

The survey started last fall for a comprehensive insurance package for the school, with all insurance under one coverage, culminated Wednesday night with the board's acceptance of the low bid of the Kemper Insurance Co., represented by Ross Merritt of Waukegan. The bid was \$6,716.08. The insurance is effective as of April 1.

Representatives of the Student Council appeared before the board to request that seniors with a B average not be required to take final exams for the second semester. After discussion, the board refused to approve the request.

The board approved teachers' contracts for the next school year.

The High School District has entered into a program with Commonwealth Edison and Bell Telephone Co. to put all wires of utilities underground. Telephone poles in the alley south of the school are considered a hazard. The High School, the village and bordering businesses are clearing and widening the alley, which is an unloading point for buses.

The board set April 13 as the date for a special meeting to canvass the vote for school board members, and to reorganize.

Dr. Albert Buear and Warren Polley reported to the board on the annual meeting of the Lake County Special Education District.

The board approved a number of claims for Federal and State aid. A claim for about \$10,000 under Public Law 874, applying to students whose parents are on military bases, was approved. The state provides reimbursement for about \$1,950 for the Guidance department. A claim was approved for \$1651 for library instructional material under Title 2 of the Elementary Secondary Education Act.

Spring vacation was extended as there are three unused days in the school calendar. School will recess at the close of the school day Wednesday, April 6 and re-convene Thursday, April 14.

The board members of the High School have invited the boards of elementary schools in the district to a dinner at the school Wednesday, April 27. This is an annual event.

## Grass Lake School Asks Tax Hike

At its regular meeting, the Board of Education of Grass Lake School took steps in planning for a referendum for an educational tax increase of 21 cents, to be presented to the public some time in late April or early May.

Superintendent Schockmel stated that Grass Lake had last year the lowest educational tax rate, .650 and total school tax rate, 1.157 of any elementary district in Lake County. Because of this fact and the increased school population in the past three years, the district will have a \$30,000 deficit at the end of the present school year.

The 18 cent increase in the educational fund that was

passed in November of 1964 was levied against the 1965 tax year and this money will not become available to the district until this fall. This increase will yield about \$13,000 in new tax money, and with some possible increase in state aid it may be possible to come up with a budget for next year that could come close to balancing. However, this leaves no room for improvement in the educational program, teachers' salary increase and still leaves the district with a \$30,000 deficit.

Other action taken at the

board meeting was an \$8500 tax anticipation warrant taken out against the building fund for the purpose of paying for the completion of the new addition. The following teacher contracts were accepted by the board for the 1966-67 school year: Bruce Worswick, Mrs. Barbara Smith, Mrs. Margaret Walsh, Miss Mildred LaPlant, and Superintendent John Schockmel.

Mr. Yopp and Mr. Larson were appointed as the budget committee for the next school year and will work with Mr. Schockmel in its preparation.

Discussion of a music teacher, P. E. instructor and speech teacher for next year was also conducted and the Board felt that these persons and their programs are needed. When planning the budget, these areas will be taken into consideration.

## Jaycees Plan Egg Hunt

Easter Bunny time is coming, and the Lake Region Jaycees are getting ready to lend a helping hand to the busy bunny with their annual Easter Egg Hunt.

The Hunt is scheduled for April 3, Palm Sunday, this year, and will be held at the Antioch Grade School grounds. One thousand prizes will be on hand for the eager hunters, ranging from candy through kites to a couple of grand prizes—bikes.

The children will be divided into two age groups for the hunt, those from 2 to 4 years old and those 5 to 8. Grand prize for the youngest group will be a bicycle. The older group will have a chance to win a bicycle.

Every egg contains a slip of paper with a number, which will tell officials what prize the youngsters have won. The Jaycees' Beauty Queen, Linda Brown, will also be present. Hunting will start at 2 p.m. sharp, says Vernon Burdick, chairman of the affair.

## "The Mouse That Roared"

With nary a cat in sight, directors Ken Smouse and Dan Beveroth have been leading a loud-mouth mouse on a determined chase at A.C.H.S. every night!

The spring production titled "THE MOUSE THAT ROARED" will lift its curtain at 8 p.m. Friday, April 1, and Saturday, April 2.

Cast in the leading roles are Gandy Meyer as Gloriana, Rod Patterson as Tully Bascom, Esquire; Dave Chandler as Mr. Benter and Al Murphy as County Mountjoy.

Remember to save these dates April 1st and 2nd, and treat the entire family to the funniest political spoof of all!

Suraya Brook

## Suraya Brook Funeral Sat.

Suraya Brook, 19 years old, the daughter of a prominent local family, Mr. and Mrs. William Brook, passed away at 1 p.m. March 17 in Billings Hospital in Chicago, after a year-long battle against cancer. Her father is president of the State Bank of Antioch.

Suraya graduated from Antioch Community High School in 1964, and had completed her freshman year at Ripon College before her illness.

Miss Brook was chosen outstanding senior girl of her high school class; was elected cheerleader in 1961 and 1962; received a conservation scholarship in 1962; was elected to the Queen's Court of the 1963 Christmas Formal; participated in the Selective American Freedom Institute sponsored by Washington University in St. Louis during the summer of 1963; was a member of the junior and senior play casts of Anne Frank and J.B.; a member of the National Honor Society her junior and senior years in high school; president of the Spanish Club; a member of the G.A.A.; was on the class executive board for four years and served as treasurer and parliamentarian of that body.

She was born in Oak Park, Ill., on October 31, 1946, and had spent all of her life in Antioch. She was a member of St. Ignatius Episcopal Church of Antioch. Survivors are her parents, William and Janet Brooks; one sister, Ainsley; and her maternal grandparents, Harry and Alice Reiss of River Forest, Illinois.

Funeral services were held at 11 a.m. Saturday, March 19, in St. Ignatius Episcopal Church. The Rev. Theodore Bessette officiated. Interment was in Hillside Cemetery. Friends called at the Strang Funeral Home in Antioch from 7 p.m. until 9 p.m. Friday. The family asked that donations be made to the Antioch Rescue Squad or the American Cancer Society in lieu of flowers.

Because nearly 2,000 Southern Illinois University students operate motorbikes, Carbondale has been dubbed "Honda capital of the world."

## Present Awards To Most Valuable Players

The naming of Most Valuable Players in sports programs at Antioch High School was one of the highlights of the Athletic Banquet at the high school Monday night.

The Antioch Lions Club hosts the athletes, their fathers and coaches at the annual banquet.

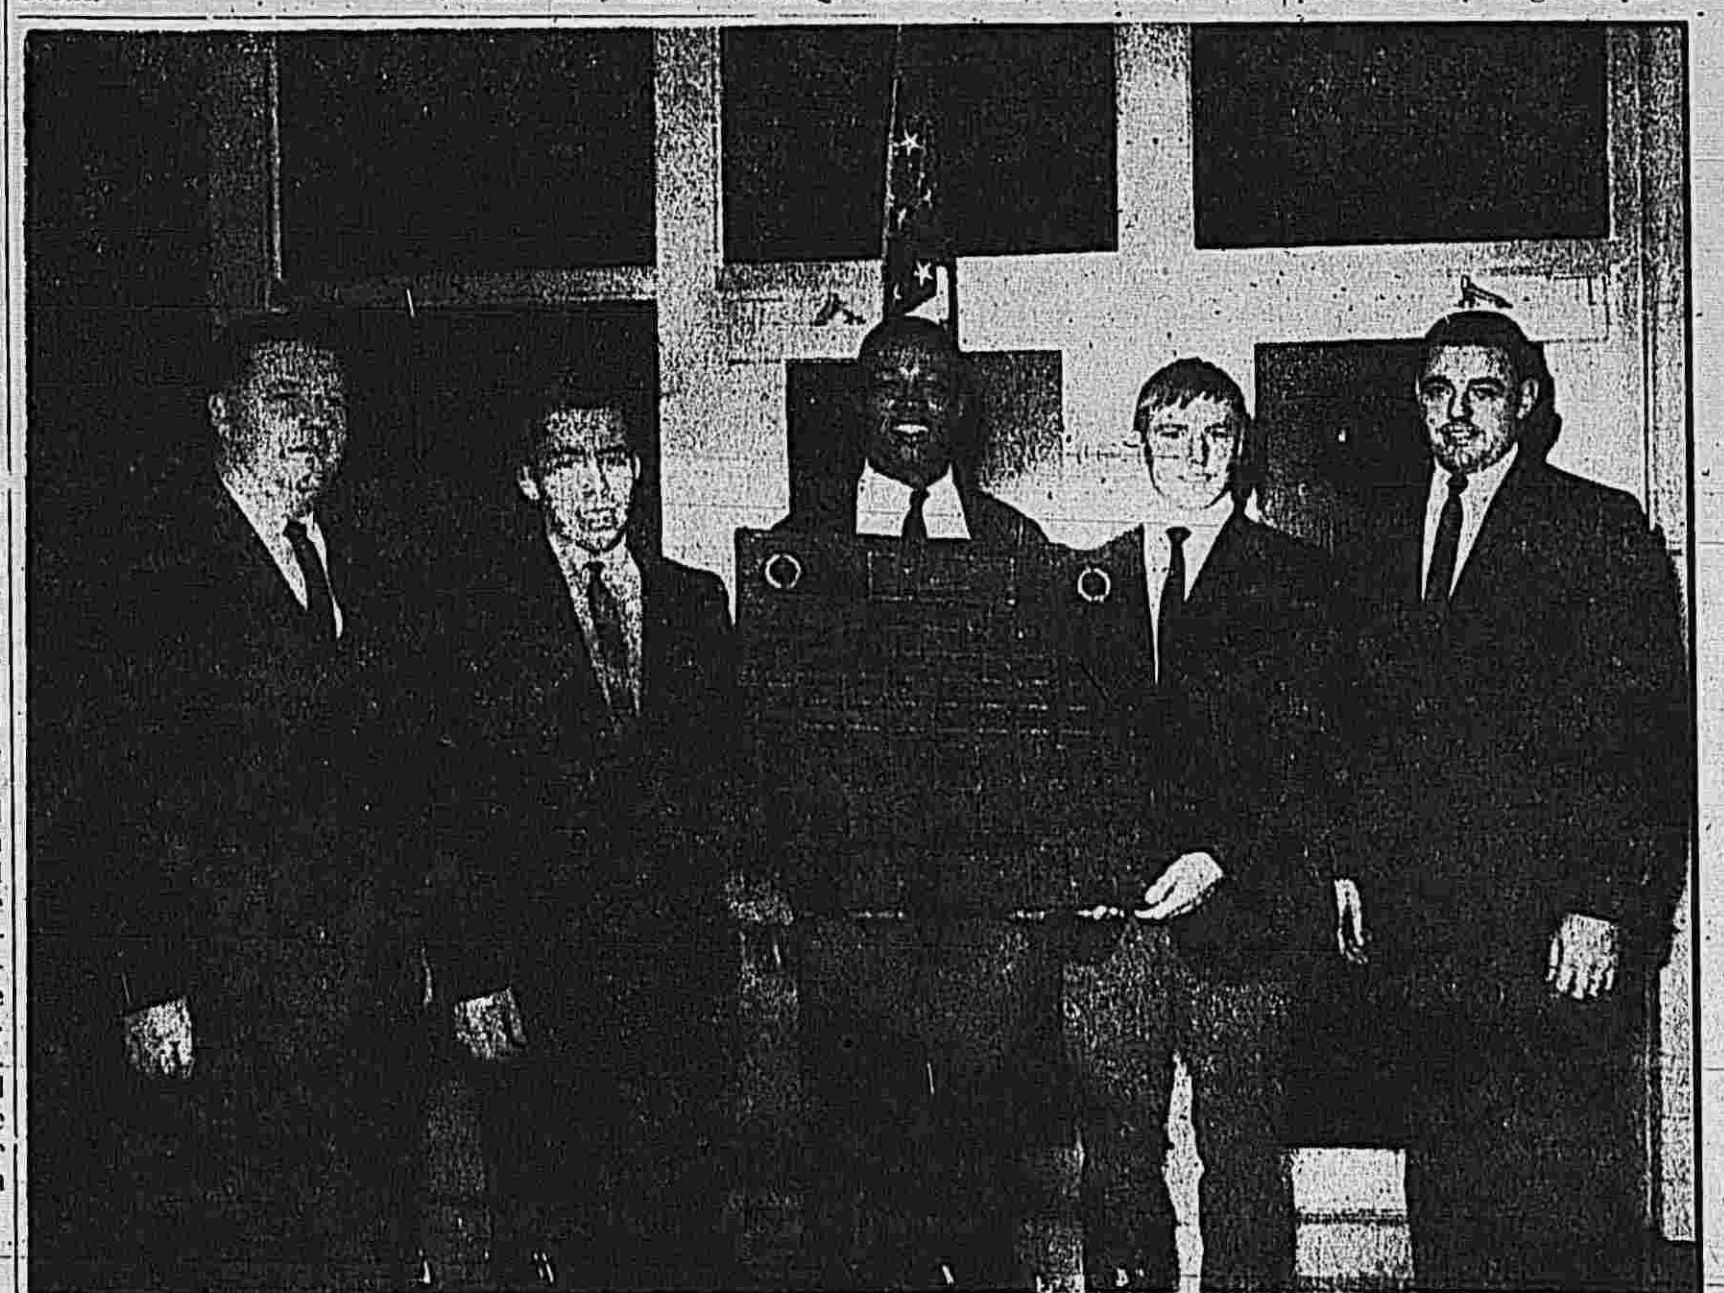

Tyrone Walls received the award for Most Valuable

Player on both the football and basketball teams. Tom Doolittle was judged Most Valuable in Cross Country competition, and Brad Ipsen in Wrestling.

Awards were also made to athletes who engaged in the spring sport program last year. Graduates who were chosen Most Valuable in their particular sport were Bob Lenczewski, baseball; Tom

Morgan, track; and Jim Steffenburg, golf.

Larry Glass, Northwestern Head Basketball Coach, was the featured speaker for the evening. Among other things, he reminded the high school athletes that they are often the idol of grade school boys and have a responsibility to conduct themselves in such a way as to be good examples to the younger boys.

## An End To Confusion

Spring made its official entrance at 8:43 p.m. Sunday, March 20, and not too far behind will be Daylight Saving Time (the last Sunday in April).

Not all states, or parts of states, observe daylight saving time. It's a matter that's settled locally. And this has caused a good deal of confusion.

Local control resulted in one state having 23 different starting and stopping times for Daylight Saving Time. Locally, we well remember when Wisconsin and Illinois dates didn't coincide, with all sorts of confusion resulting.

Congress is now taking action to straighten out the confusion. The Uniform Time Act of 1966 has passed the U. S. House of Representatives and is awaiting action of the Senate.

The bill before the Senate will allow states to reject Daylight Saving Time if they wish, thus preserving the state's right of self-determination. However, if they choose to have Daylight Saving Time, the bill will provide that it must be state-wide, and that it must begin on the last Sunday in April and end on the last Sunday in October.

The measure should do away with a great deal of confusion. It will also save money for railroads and other transportation services. It is estimated that railroad and bus lines alone will save more than a million dollars in printing of schedules.

Most people will heartily approve the end of the confusion. The residents of rural districts who feel they get no benefit from Daylight Saving Time will at least be spared the confusion of different times when they travel.

## Is Your Home Safe?

This is National Poison Prevention Week — March 20 to 26.

The Lake County Safety Commission asks that you take a few seconds and make sure your home and family are safe from the tragedy of poison.

Look under your kitchen sink — is there drain cleaner - Silver polish - bug spray - dish washing detergents? They're all poison.

Look in the bathroom - is your medicine cabinet out of reach of small children? Each year a half million children swallow poisons which cause death or serious injury. Approximately 50 per cent of all accidental poisonings involve internal medications and half of these are aspirins. Latest danger, poisoning almost as many tots as aspirin, are the birth control pills.

Ninety percent of all accidental poisonings involve children under the age of five.

Is your home safe for children? Few homes are.

Anyone interested in buying a slightly cloudy political type crystal ball?

You could have knocked us over with a stuffed ballot box three weeks ago when Republican precinct committeemen in convention assembled agreed to take on the responsibility of selecting the party's candidates for their precinct neighbors.

There was still room to conjecture that the necessary margin could not be achieved by any candidate when the actual endorsement balloting began, but last Saturday's approval congress was a revelation.

Regardless of your personal feelings for County Chairman Robert J. Milton or your feeling about the party endorsing candidates in what is still being laughingly referred to as an "open primary" you have to admire the way the veteran Lake Bluff politico worked his convention magic.

Milton had the convention so well organized there wasn't even a murmur of protest when he picked up the gavel to preside at the session even

though he was himself a candidate for endorsement.

From beginning to end, with two minor exceptions, the entire endorsing process was a routine, hum-drum affair and the committeemen actually did the general public a favor by barring them from the session.

A hassle threatened to break out when the Avon delegation refused to certify two elected committeemen at the start of the convention. Several weeks back the Avon organization de-frocked Committeeman Dlaney Bennett and Carl Schmidt for reasons that seemed sufficient to the organization, but the two men showed up at Saturday's session.

Milton sent the controversy to the "credentials committee" which decided that the wishes of the voters of the precincts had to take precedence and the two men were accredited to the convention.

Another controversy developed in the County Clerk balloting over the number of votes needed to endorse when it appeared after three ballots that Truman (Snapper) Ger-

What ever happened to the plans for extra parking space in Antioch?

IT'S SPRING — WE HOPE. March is living up to its reputation for changeable weather. One moment it's spring, the next the wind turns chill and winter's back. Thunder and lightning, hail and wind, gentle breezes and smiling sun, they're all on the menu. So far, we've escaped the snow.

A year ago Tuesday Antioch had eight inches of new snow. This year, the schools have snow days left over for spring vacation, but that can change at the drop of a snowflake.

STATISTICS DON'T LIE. All sorts of things have been proved by statistics. Turn anybody loose with a selected set of "em and he can prove just about anything he wants to.

Like, for instance, pickles. Let you never gave much thought to the dire effects of eating pickles. Consider these statistics: 92 per cent of all the people who died last year were pickle eaters; every individual who ate pickles before 1835 is dead today; a very high percentage of the people involved in automobile accidents in 1965 ate pickles at Christmas time; 87% of the people who died of heart attacks last year were pickle eaters at some time in their lives.

reisen, of Fox Lake, had sewed up the nod.

Strangely enough it was the Deerfield Township delegation, solidly in Gerretsen's corner, which raised the question and forced a fourth vote which gave the county clerk's office employee the decision over former Coroner Robert R. Babcox.

The clerk's race was the only real contest with Babcox taking a first ballot lead and then losing it as followers of County Board Chairman Kenneth Henke started switching to Gerretsen.

The balloting for Sheriff came as a shocker to most of the convention with few present expecting Sheriff's Captain Harold Sheskie to win so handily on the first ballot.

Scheskie's victory can be traced to the organization efforts of a group of younger committeemen and Coroner Orville (Pat) Clavey is being given much of the credit for the victory.

An ironic note was provided by Babcox, and Chief Deputy Norris Froelich and the incident points up the unpredictability of the convention.

Late in the afternoon Babcox decided it was time for some refreshments and sent out for coffee for the delegates. Froelich popped for doughnuts.

Both candidates lost. Perhaps there is a moral here, but more likely the decisions had been made and coffee and doughnuts just weren't enough to sway the delegates.

The convention served as a vehicle for State Senator Robert Coulson to let it be known he was a candidate for State Central Committeeman, a post for which Milton was a candidate for a brief spell.

Sen. Coulson will be opposing Max Wildman, of Lake Bluff, who earlier in the week announced he would be a candidate, confirming a report carried here several weeks ago.

The veteran legislator indicated he had been approached to seek the post to give this Congressional District more clout in party councils at the state level.

He said he accepted after Cong. Robert McClory and Appellate Judge Thomas J. Moran declined to seek the post.

Sen. Coulson's decision may signal an intent on his part to take a more active part in the internal affairs of the Republican party and perhaps exert the leadership that many have felt has been lacking in recent years.

After Saturday's demonstration, however, it is unlikely anyone will be able to seriously challenge Milton's claim to party leadership at least at the county level.

The party chairman emerg-

## The Old Scouter Says

Last Sunday I paid a visit to Camp Crown, one of the many Council Camps. Although Scouts have been camping all winter, the Camp was deserted when I was there. As I walked around I was flooded with memories of the many Scouts who have camped there. Remembering the sparks shooting up from the campfires, the voices of hundreds of boys singing a song, the beat of rain on canvas, the first meal cooked by a Tenderfoot on an open fire, learning skills such as signaling, map making, firebuilding and a thousand other things. With so many families going camping now, many boys learn these skills on family outings. It is not the same, you missed the thrill of doing these things with a group of boys your own age guided by an interested outsider, the Scoutmaster.

Scout Training were 4 men from Antioch, Ray Atwood as Scoutmaster, Bill Young as Assistant Scoutmaster, Dick Harland as Senior Patrol Leader, and Art Price as Patrol Leader.

Pack 86 enjoyed a tour of the Jack Wells Museum at Channel Lake on Tuesday.

WASHINGTON — The following letters were recently answered by the Department of State.

I'm trying to write a book about Captain Prince S. Crowell of Massachusetts, who was a director of the Pacific Guano Company. Did he, or the firm, lay claim to the Swan Islands? I note that Honduras still claims the Islands.

B. M. L.  
Onset, Mass.

Dear Miss L.: We find no evidence in the Department's files that Captain Crowell himself ever claimed the Swan Islands. On December 18, 1882, the Pacific Guano Company of Boston purchased the rights to the Swan Islands from Mr. John M. S. Williams, of Boston. On December 24, 1895, the Pacific Guano Company sold its rights to the Swan Islands to Mr. Warren K. Blodgett, of Boston. For a general summary of the Swan Islands question, we refer you to Green H. Hackworth, "Digest of International Law" (Washington, 1940), volume I, pages 511-520.

I have just returned from a conference where a young lay missionary spoke of conditions in Pakistan. He is deeply concerned about the sort of people we are sending over there to represent our nation. Cocktail parties are a must, he says, in a nation of religious abstainers. I had for years been concerned about our "cocktail" image in countries where abstemiousness is the norm, but thought maybe I was being prudish. It looks like I wasn't. What do you think?

A. A. L.  
Odem, Texas

Dear Mrs. L.: With regard to your comments on official functions in Pakistan, it is the general practice of our representatives to serve nonalcoholic refreshments as well as alcoholic beverages at cocktail parties, so that either is available to Pakistanis and other guests. Many Pakistanis do consume alcoholic beverages

and serve them to guests in their own homes. In Pakistan alcoholic beverages (the manufactured, imported and offered for sale).

As we would not expect Pakistani citizens resident in the United States to become users of alcohol if they do not so desire, similarly we do not expect Americans to abstain because they are living in a land in which many of the inhabitants do not use alcohol. We do expect fully, however, that official Americans abroad will conduct themselves in a manner which will reflect credit on themselves and their country. We appreciate your concern over our image abroad. This is a responsibility we all share.

At college there have been many discussions on what we are doing and why we are doing it as regards American foreign policy. The only major point of agreement is that we don't know what to agree

on. I would like an explanation of American foreign policy throughout the world.

W. H.  
Alliance, Ohio

Dear Mr. H.: We believe the best way for you to keep informed of developments in our foreign policy is to subscribe to one of the Department of State's publications on foreign relations. "Foreign Policy Briefs" is a short, bi-weekly publication which costs \$1.25 a year. The "Department of State Bulletin," which contains detailed articles by the President, the Secretary of State and other leaders, comes out weekly and costs \$10 per year. Both can be subscribed to by writing the Superintendent of Documents, Government Printing Office, Washington, D. C. 20402. Do you have an inquiry? Send it to: "The Diplomatic Pouch," P. M. S. Room 4835, US Dept. of State, Washington D. C. 20520.

We don't know about it unless you tell us—call 395-4111

## Milton In Race For County Treasurer Post

Two more candidates have announced their candidacy for nomination for County Treasurer on the June 14 Republican Primary ballot.

Robert J. Milton, party chairman for Lake County, said, "I have wanted to run for a County office for a long time. A lot of discussion and many hours of personal evaluation have gone into the decision to be a candidate."

Robert A. Dwyer, a candidate for nomination for the same office, is vice president of Alexander and Alexander, an insurance brokerage firm in Chicago.

Assistant Supervisor Raymond J. Sheahan of Deerfield township announced his candidacy some time ago.

Milton, a Lake Forest resident, is 47 years old and a fourth generation Lake Countyman. He is a graduate of Lake Forest College with a B. A. degree in economics.

Milton points to previous public positions he has held as providing on-the-job know-how for the Treasurer's office. Assistant to State Treasurer William J. Scott, knowledge gained in establishing the administrative procedures for the State Department of Financial Institutions, assignment to the staff of State Auditor Elbert S. Smith as a field examiner, along with work as a Tax Assessor and later as Supervisor for Shields Township, are his credentials for efficient handling of the Treasurer's office.

Milton has been active in party circles since 1950. He is now in his fifth term as County Chairman. He was previously Secretary of the Central Committee and holds the office of vice chairman in the State Republican County Chairman's Association.

Milton has the support of Guy O. Lunn, present county treasurer, who has announced

that he would not be a candidate for the nomination.

Dwyer lives in Winnetka. He served in the U. S. Army Air Force as a radar gunner on a B-29 from 1943 to 1946. He has been actively engaged in Republican politics at the precinct level and is currently a precinct captain of the New Trier Township Regular Republican organization. He held a position of leadership in the Young People's section of the Dewey for President organization in 1948; played a prominent role in securing the Republican presidential nomination for Dwight Eisenhower, and worked for his election.

Dwyer was a candidate for Congress, 13th Congressional District, in 1950, but withdrew in favor of the present incumbent, Donald Rumsfeld.

## Babcox Makes It Official

Robert H. "Mickey" Babcox has announced "after a great deal of thought and many comments from one end of the county to the other" that he will seek the Republican nomination for County Clerk.

The political veteran said he would base his campaign on his twelve years experience as a Lake County administrator. Babcox offers "a backlog of experience, comparable youth and a keen knowledge of government," which he feels will be invaluable in bringing to the people of Lake County a Clerk's Office which will be a model of efficiency unparalleled in the state.

A member of a pioneer Waukegan family, Babcox attended grade school in Waukegan and graduated from Warren Township High School. After serving in the Army he became interested in politics. Babcox was elected to the post of Lake County Coroner in 1952, in the same election in which he cast his first vote. Babcox was re-elected in 1956 and again in 1960, piling up substantial margins in the primary and general elections.

After two years in private business Babcox, a strong organization man, is returning to his first love, politics. "My brief recess from the political scene has only sharpened my convictions and given me incentive to conduct a vigorous campaign unlike even 'Mickey' Babcox has in the past. I intend to devote all my energies to eating, sleeping and talking the Republican principle from now until November."

The 38 year old Babcox, an active sports enthusiast, his wife Arden and their three children reside in Grayslake. Active in many community and civic affairs, Babcox is a member of numerous fraternal, civic and professional associations, as well as political organizations.

He held membership in the Millburn Congregational Church. Mr. Rush had been in music all of his life, having played with Frank Wallin at the Genesee Theatre, in Waukegan, then in the Navy Band while serving with that group, where he had been a member of the Meecher Band under Eddie Peabody. He had served as a director of the Wheaton College Band from 1945 until 1950, and more recently as music teacher at the Lake Villa Grade Schools. He married Helen Thomas on Sept. 1, 1932 at Waukegan. He was preceded in death by one brother, Carl Rush in 1941.

Survivors are his wife, Helen; one son, Joseph T. Rush, Antioch; two sisters, Mrs. Vincent (Ruth) Heaton, Denver, Colorado; Mrs. Ord Peters, St. Louis, Mo.; and three grandchildren.

Funeral services were held at 1:30 p.m. Monday in the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated at the services. Interment was in Millburn Cemetery.

## Two Accidents On Route 59

A car driven by an Antioch woman skidded into a telephone pole on Route 59 at Hillside Ave. Tuesday afternoon. None of the occupants of the car were injured.

Mrs. Carol Hedberg, Rt. 4, Box 49, Antioch, was driving the car. Her two young sons, 6 and 4 years old, were in the car with her.

Mrs. Hedberg told police that the car in front of her stopped to turn into Hillside Ave. It had just begun to rain, and when she put on the brakes, her car skidded and hit the telephone pole.

The car was badly damaged and had to be towed away. The other car, Mrs. Hedberg said, proceeded on its way.

**ACCIDENT AT RTE. 59 AND GRASS LAKE RD.**

In another Route 59 accident at 7:55 Tuesday morning, cars driven by Delmar E. Church, Rt. 1, Bluff Lake, and Don A. Januszewski, 800 Meadowlane, Ingleside, collided at the intersection of Grass Lake Road and Route 59. Deputy Robin Glorio of the Lake County sheriff's office issued a citation to Delmar Church for failure to yield the right of way after stopping at a stop sign.

Church told Deputy Glorio that he was driving west on Grass Lake Road and stopped for the Stop sign. Another car proceeding east on Grass Lake Road, had also stopped at the intersection, he said. As he started to cross the intersection, he saw the car driven by Januszewski, which had been going north on Route 59, enter the intersection and saw that it would hit him, so swerved. However, the two cars collided.

No injuries were reported.

## Welcome Mumps But Treat It

Nothing should be done to prevent your youngster over five years of age from getting mumps. Although the common childhood disease is unpleasant, causing pain and swelling below the ears, fever, chills and difficulty in chewing, it is rarely serious in children.

The New York State Department of Health urges parents to call the doctor as soon as symptoms appear so that the patients can be treated and the diagnosis is established. Since mumps is contagious, the patient should be kept away from other people. He should also be given lots of fluids.

The health officials point out that adolescent boys and men may suffer serious complications if they contract the disease. Their sex glands may be permanently affected, causing them to become sterile. Or they may develop inflammation of the brain or its covering. An adult who has never had the disease and who believes that he may have been exposed to it should see his doctor at once.

The latter may prescribe a mumps-immune globulin which is thought to provide protection for several weeks. Or he may give the mumps vaccine which gives protection for as long as two years.

The health department notes that "neither immunization is recommended for children. Almost always a child is better off having mumps: the case is milder in childhood and gives him lifelong immunity."

By the time a man finds those greener pastures, he can't climb the fence.

## Discuss Social Security For State Workers

A hearing was recently conducted in Springfield on the feasibility of including State employees in the Federal Social Security program.

In testimony given before the Commission, Maurice W. Scott, executive Secretary of the Taxpayers Federation of Illinois, said, "to the extent feasible, State employees should be covered by the Social Security program."

Scott said that many low salaried State employees face retirement without sufficient means of support.

In the past, it has been reported that State workers are against coming under Social Security. However, Ed McCreight, Director of Pensions and Personnel for the Taxpayers Federation, made a survey by submitting a questionnaire to some 117 State employees in various income categories.

The results revealed a ratio of 10 to 1 in favor of Social Security.

The federation believes that Illinois should be able to extend Social Security coverage to current members of State retirement systems who desire such coverage, with coverage being required for all employees who later become State employees and members of a retirement system group.

## Taxable Pensions And Annuities

Do you get a pension or an annuity? Pension and annuity payments received by residents of Illinois during 1965 fall into one of these three classes for Federal income tax purposes: non-taxable, fully taxable, or partly taxable. The Internal Revenue Service announced.

Pensions that are tax-free and need not be reported on federal returns, include Social Security payments, Railroad Retirement Act pensions, pensions to veterans, and family benefits and disability retirement pay of military personnel retired on disability resulting from active service.

Payments received by a retired employee from a pension plan provided by his employer, without cost to the employee, are fully taxable.

If you purchased an annuity, or if you retired under a plan financed jointly by you and your employer, part of the payments received by you will be taxed. The computation of the taxable portion is based on a formula which permits the recovery of your cost tax-free.

If you contributed a part of the cost of your pension or annuity, and will recover your entire cost within three years after retirement, you report nothing as income un-

ability resulting from active service.

## Third Graders Hear Bike Safety Talk

Third graders at the Antioch Grade School heard a talk by Police Chief Jack Heick last week.

Heick discussed the work of the police in helping and protecting people and their property. He also explained rules for bicycle safety.

Heick addressed the children in connection with a social studies unit on police and fire protection.

Third grade teachers Mrs. Arleen Cramer and Mrs. Wanda Barthel both said they felt the talk "is an excellent means of bringing about a better understanding between the students and the police department."

## **Father Henderson Announces Mission**

The Reverend John J. Hynes of the Oblates of Mary Immaculate from Boston, Mass., will conduct a mission opening March 27 and closing April 2, at St. Peter's Church.

The Rev. Alfred J. Henderson, pastor of St. Peter's Church is sponsoring the mission.

It is the wish of Father Henderson that every Catholic in the parish attend the mission and all others who are interested in the teaching and practices of the Roman Catholic Church are invited. A mission is a course of spiritual exercises conducted

The Rev. Alfred J. Henderson, S.T.L.

by especially trained missionaries. During these exercises, prayerful consideration is given to the great truths of eternity, to the duties and obligations of those who the Church says would be followers of Christ.

The object of the mission, according to Father Henderson, is to help the fervent become more fervent, to bring souls back to God, to

help the weak, to raise the fallen, to convert the sinner—in a word, to strengthen all in virtue and bring upon all the blessings of God. Above all, a mission is for those who are not satisfied with themselves.

Father Henderson hopes that his parishioners will spread news about the mission, pray for it, and also remember the mission will give the parishioners an opportunity to gain the indulgences of the Jubilee of the Vatican Council II. According to the decree everyone who participates in the Mission can gain these indulgences.

The services will commence at 7:45 p.m. Sunday, March 27. The evening service will last one hour only. The daily mission Masses will be at 6:30 a.m. and 8 a.m. in the Church. A short mission instruction will be given after the mission Masses.

Confessions will be heard every evening after the Mission Services; in the morning after the mission Masses; afternoons as needed.

## DEATH NOTICES

### JULIA A. KULIGOWSKI

Mrs. Julia A. Kuligowski, 76, of Cross Lake, Wis., died Sunday morning, March 20, at her home after a lingering illness. Born June 20, 1889 in Chicago, she resided in Cross Lake the past 37 years during which time she and her husband operated the Catalina Island tavern. She is survived by her daughter, Mrs. William Hart of Cross Lake, and one son, Walter, of London, England; one sister, Mrs. Bessie Krejci of Chicago and three grandchildren. She was preceded in death by her husband, Walter, in November 1962.

Funeral services were held Wednesday from the Colonial Funeral Home in Antioch to St. Scholastica Church where mass was celebrated at 10 a.m. Interment was in the church cemetery.

### RUDOLPH J. STIMPL

Rudolph J. Stimpl, 74 years old of Antioch, passed away at 8:00 a.m. Saturday, March 19, at his home on Petite Lake after a lingering illness. He was born July 12, 1891 in Vienna, Austria, and came to America in 1909 to reside in Chicago until moving to Loon Lake in 1942. He operated Rudy's Place at Loon Lake from 1942 until 1951. Mr. Stimpl had worked for 30 years as a diesel service engineer for American Bosch Corporation in Chicago, retiring in 1939. He married Theresa Bobscher in 1913 in Chicago. He was preceded in death by one daughter, Mrs. Marie Hale on Feb. 10, 1966.

Survivors are his wife, Theresa, one son, Rudolph K. Stimpl, Des Plaines, Ill.; two daughters, Mrs. Charles R. (Theresa) Keulman, Antioch; Mrs. Leyton (Gertrude) Ipsen, Antioch; two sisters, Mrs. Lena Reichel, Des Plaines, Mrs. Mildred Stieckler, Lake Geneva, Wis.; 10 grandchildren, and 5 great-grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated at the service. Interment was in Home Oak Cemetery near Antioch. Memorials may be given to the Antioch Rescue Squad.

### HJALMAR GUDMUNDSON

Mr. Hjalmar B. Gudmundson, 68 years old of 506 Highland Drive at Camp Lake, Wis., passed away Saturday, March 19, at his home suddenly from a heart ailment.

He was born March 10, 1898 at Maple Bay, Minnesota. He had served in the Army during World Wars I and II.

Mr. Gudmundson has resided in Chicago where he was employed as a truck mechanic for the White Motor Car Company until his retirement four years ago. He had resided at Camp Lake Gardens Subdivision permanently for the past four years, but had been coming to that home for several years previously. He is survived by his wife, Violet.

Funeral services were held from the Klemundt Funeral Home at 3313 Irving Park Blvd. in Chicago, with interment in Acacia Park Cemetery. Local arrangements were handled by the Strang Funeral Home at Antioch.

### MATHEW J. KAPCHE

Mr. Mathew J. Kapche, 74 years old of 5320 N. Magnel Ave., Chicago, passed away suddenly on Sunday, March 20, at his summer home in Salem Oaks Subdivision. Mr. Kapche had come to open the cottage for the summer and had been working under the cottage when he suffered the attack. He was born on August 19, 1891 in Germany and had resided in Chicago.

Mr. Kapche was a retired commercial photographer by occupation. He is survived by his wife, Elizabeth.

He was taken to the Krauspe Funeral Home at 3905 Lincoln Ave., in Chicago where services were held on Wednesday with interment in Arlington Cemetery at Elmhurst. Local arrangements

were handled by the Strang Funeral Home in Antioch.

### FLORENCE C. ALLEN

Mrs. Florence C. Allen, 56 years old of Paddock Lake, Wis., passed away at 5:30 p.m. Monday March 21, at Burlington Memorial Hospital, following a lingering illness. She was born October 22, 1909 in Chicago and resided there until moving to Silver Lake, Wis., in 1946, then moved to Paddock Lake in 1952. She holds membership in St. Francis Xavier Church at Brighton, Wis. Mr. and Mrs. Allen had formerly operated, "Flo & Jim's Pub" at 1637 W. North Avenue in Chicago before moving to Kenosha County, where they had operated "Allen's Restaurant" at Paddock Lake.

Survivors are her husband, James F. Allen; one daughter, Mrs. Thomas (Lois) Tyrkala, of Paddock Lake; two brothers, Leonard and Edward Miller, both of Chicago; two sisters, Mrs. William Gorski, Chicago; and Mrs. Dominic Rago, Silver Lake, Wis., and two grandchildren.

The funeral was held at 10:15 a.m. today (Thursday) from Strang's Funeral Home in Antioch to St. Francis Church at Brighton for a 11 a.m. Mass. Interment was in St. Francis Xavier Cemetery at Brighton. Rosary was recited at 4 p.m. Wednesday.

There are two million American Red Cross volunteers—an average of 153 volunteers for each paid staff member.

## Electricity Sales Reach Record High

Electricity sales of Commonwealth Edison Company's northern division in 1965 climbed to a new all-time record of 4,246 billion kilowatt-hours, a 9.4 per cent increase over 1964, Lawrence A. Cullen, division vice-president said Monday.

In an annual review of the electric company's local activities, Cullen said customers in the division increased more than 11,000 to nearly 330,000. The average annual use of electricity by residential customers rose to 5,389 kilowatt-hours, a gain of 264 over 1964.

Headquartered in Northbrook, Edison's Northern Division, includes district or area bases in Crystal Lake, Mount Prospect and Waukegan. Its 1,100 square mile service area extends from Chicago's northern limits to the Wisconsin state line, and from Lake Michigan west through half of McHenry County.

"Our record sales reflect a greater use of air conditioning, and modern electric appliances and a growing trend to the total electric concept," Cullen said.

Last year over 27 miles of new transmission lines were added to the interconnected Edison grid that serves northern division communities. About 43 miles of distribution lines were tripled in capacity by being converted from 4,000 to 12,000 volt operation.

The cost of electric living was on the downtrend in 1965, Cullen said, as customers paid less for each kilowatt-hour of electricity.

Cullen said electric heat was specified for about 800 dwelling units in the northern division last year to raise the division's total to approximately 3,000. One out of every seven apartment units built in local communities in

1965 was electrically heated, and the utility expects the rate to double this year, as total electric dwelling units in the division increase to a predicted 5,000. In the entire Commonwealth Edison service area, there are now more than 21,000 electrically heated residences completed or under construction.

## Lazy Husbands, Tired Wives

PORTLAND, Ore.—When healthy young women appear in their doctors' offices complaining of overwhelming fatigue, the cause may well be the "lazy husband syndrome." This is the finding of an Oregon psychiatrist, who described the syndrome in the Journal of the Iowa Medical Association.

"A husband who has had a long eight-hour day at his air conditioned office comes home, calls for a drink, plops exhausted into a chair with the newspaper, or in front of the TV set, gets up to eat his dinner an hour later, complains that the meal is not well done, pecks his wife on the cheek and goes out with the bowling team."

"Meanwhile, his wife, who has been working all day, gets the meal, tries to discipline the children, so daddy can rest, feeds the infant, serves the meal, does the dishes, feeds the dog, bathes the kids, puts them to bed, puts a load of washing through, does some ironing, watches TV for an hour (while darning)..."

"This goes on day after day, notes the psychiatrist. The husband is happy, but the woman becomes vaguely unhappy, tense and fatigued. She doesn't need vitamins, the doctor says. She needs a cure for the "lazy husband syndrome."

## Knocked-Out Teeth Can Be Replanted

If Junior's tooth is knocked out, rush him and the missing tooth to your dentist at once. It is now possible to replant teeth successfully in some instances, restoring them to full use for as long as five years, when the patient may be ready for permanent replacement.

This is the good news from Dr. Frederick N. Garber, assistant professor of endodontics at the University of Detroit School of Dentistry.

Dr. Garber told Women's Medical News Service that of the more than 100 cases of tooth replanting he has performed in nine years, only two were unsuccessful. While replanting can be performed on adults, it is more commonly done with children, whose teeth, he said, are generally knocked out whole. "In young people," the dentist explained, "the bone is not calcified, so a blow causes the whole tooth to come out rather than to break off."

The sooner a tooth is replanted the simpler the dental procedure and the greater chance of success. He pointed out, though, that it is possible to replant teeth as long as a week after they come out.

It is not usually necessary to replant primary teeth lost in an accident, Dr. Garber said, especially if x-rays show that the permanent teeth are unharmed and seem ready to come in within a short time.

## Red Cross Starts Water Safety Course

Lake County residents can enroll in a free 10-week Red Cross water safety instructor's course to begin at 7 p.m. Tuesday, March 29, at Building 132, Downey V.A. Hospital.

The instructor's course, to be taught by qualified Red Cross water safety instructors, will run from 7 to 10 p.m. every Tuesday evening ending May 31.

The course is recommended for camp counselors, lifeguards, and other swimmers over 18 who are interested in becoming instructors at local camps and resorts. Those who satisfactorily finish the course will also be qualified to teach at local pools and parks in the county throughout the year.

Participants must furnish their own suit, cap and towel. Anyone 18 years or older who has a currently valid senior lifesaving certificate may enroll in the course by calling the Red Cross office in Waukegan, at ON 2-4044, or by registering on the opening night of the class.

## GOP Convention Endorses Candidates

Four candidates for the nomination to county offices were endorsed at the Republican endorsement convention last Saturday.

The delegates endorsed Captain Harold W. Schieske, on leave from the Sheriff's office, for sheriff; Truman G. Gerretsen, Fox Lake, for county clerk; Robert J. Milton, Lake County Republican chairman, for county treasurer; and W. C. Petty for County School Superintendent.

Despite the convention's endorsement, some of the other Republican candidates are expected to stay in the race for nomination in the June 14 primary.

Gerretsen defeated Robert H. Babcox and Kenneth A. Henke for party endorsement for the clerk's post. Schieske got the party nod over Deputy Norris Froelich. Lloyd DeTienne, Zion police chief, did not participate in the convention.

## Rescue Squad Calls Made Last Week

The Antioch Rescue Squad made the following calls in the past week: March 16, took Mrs. Schwartz, 84 to Victory Memorial Hospital after she suffered a broken hip.

March 18, Henry Plesse of Beach Grove Road was taken to the hospital.

March 18, Refia Parque, 370 Oakwood Drive, Antioch, was taken to Victory Memorial Hospital.

March 22, Beatrice Hurl, Grass Lake Road, Antioch, was taken to Victory Memorial Hospital.

## HEAD START FUNDS

A total of \$4,113,001 has been set aside by the Office of Economic Opportunity for Illinois Head Start projects during the summer of 1966, according to an announcement from the Federal Office of Economic Opportunity (OEO). Head Start is a preschool training program for underprivileged children.

Head Start money will be "above and beyond" money already allocated to Illinois Community Action Committees to develop other types of anti-poverty programs.

I have a little shadow  
That goes here and there  
with me  
He SHOULD answer to the  
name of Mark.  
Our little heir age three.  
At TV commercial time  
He's quiet as can be  
But let me get upon the  
phone  
He's off on a mischief spree,  
Into drawers and cupboards,  
Toothpaste ribbons on the  
doors,  
Things floating in the bath-

Rice Krispies on the floors.  
Stereo on at fever pitch,  
A ball goes sailing by.  
The puppy runs beneath the

## CHRISTIAN SCIENCE CHURCHES

A petition for growth in grace and spiritual perception will open the Lesson-Sermon on "Reality" at all Christian Science services this Sunday. The Golden Text is from Psalms: "Blessed art thou, O Lord: teach me thy statutes... Open thou mine eyes, that I may behold wondrous things out of thy law."

Included in the readings is this statement from the denomination's textbook: "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

## SEWAGE OPERATORS TO MEET APRIL 11-12-13

The 31st annual conference of the Illinois Sewage Works Operators will be held in Springfield April 11, 12 and 13.

C. W. Klassen, technical secretary of the Illinois Sanitary Water Board, calls the conference "a very important phase of the water pollution control program" and points out that properly operated waste treatment plants are "our first line of defense" in control of pollution.

## Open House At Salem Central

Salem Central High School will hold Open House Sunday, March 27, to give residents of the district a chance to view the new building.

The addition contains 15 new class stations, a new home economics room, a new library, new chemistry labs, and a mural created by the Art department.

## Red, white, and blue arithmetic

If you're looking for safety in numbers, try these figures on United States Savings Bonds.

The value of Savings Bonds adds up at a safe, steady rate. When your Bonds are held to maturity, you get back \$4 for every \$3 that you invest. And that interest is guaranteed.

Furthermore, you don't pay any state or local income tax on E Bond interest. The federal income tax may be deferred until you cash them. When you need the cash, your Bonds convert in a jiffy.

But the best part of the Savings Bond equation doesn't show up on the tables—the pride you can feel that your money is put to work helping to strengthen freedom's cause throughout the world.

It all adds up to the fact that United States Savings Bonds are a mighty hard-working investment. Millions of Americans have found Bonds the star-spangled way to save.

That figures, doesn't it?

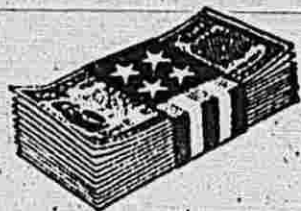

### Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Buy E Bonds for growth—H Bonds for current income.

## Track Spuad Gets First Test Saturday

Antioch's track squad, at least a portion of it, will get its first test Saturday, March 26, when eight boys will make the journey to Oak Park to compete in the Oak Park Relays.

Seniors Bob Schenk and Tom Wojnowiak will head the list scheduled to compete in the indoor meet Saturday. Schenk in the high jump and Wojnowiak in the mile run.

The roster also includes five juniors, Blaine Backman, Chuck Bista, Fred Gras, Jim Litchfield and Bill Sheldon and one sophomore, Dave Blagg. The team is entered in the 4 lap, 8 lap and the sprint medley relay events. Bill Sheldon and Chuck Bista will also be competing in the 50 yard dash.

The first outdoor meet for the Sequoits is scheduled for Thursday, April 7, against Woodstock. "We have a large group this year," said Coach Roger Andrews, "More than 50 boys reported, and with desire and hard work we

could repeat as conference champs."

Coach Roger Andrews will have to fill some rather large gaps left through graduation, however. Last year's squad set four conference meet records and tied another and otherwise dominated the track picture in the Northwest Suburban Conference.

Some of the boys Andrews will be hard put to replace include Bruce Dalgard, record holder in the 120 high hurdles; Tom Morgan, record holder in the 220 yard dash and co-holder of the record in the 100-yard dash; Bob Flood, record holder in the shot put and Jim Edwards, one of the best all-around track men in Antioch has had in many years.

Andrews will have some help, however, as Jim Litchfield, Bob Schenk and Tom Wojnowiak will all be back and all three were outstanding performers last year. Litchfield placed second in the conference meet in the 440 last year, as did both Schenk and Wojnowiak in the high jump and mile run.

The Sequoits can also expect some help from last year's sophomore squad that turned out many good performers.

## Little League Season Gets Underway

League and Babe Ruth League gets under way April 16 at the Scout House in Antioch. All boys 8 to 14 are invited to register for one of the Leagues.

Registration dates are April 16 and 17 from 1:30 p.m. to 4 p.m., and April 23 and 24 from 1:30 p.m. to 4 p.m. Registration fee is \$3.00 for Little League and \$7 for Babe Ruth League.

Tryouts for new registrants for Little League will be as follows: boys 9 and 10 years old will meet at the Antioch Little League field on April 27 at 6 p.m. at the Antioch Little League.

One of the most difficult instruments to play is second fiddle.

## Young Bowlers To Compete In State Finals At Springfield

An eager group of Antioch youngsters will leave Antioch by bus for Springfield Saturday morning to compete in the team bowling finals of the State Tournament.

Six teams from the young people's leagues at the Antioch Bowl won the county tournament, giving them the opportunity to compete in the State finals. Boys' and girls' teams from the Bantam, Junior and Senior Divisions were among the winners.

The young bowlers will leave the Antioch Bowl at 6 a.m. Saturday and return the same day.

## Takes Second In Field Trial

Jodi of Caiki Barat, hunting dog owned by Lewis Simon of Antioch, placed second in two-day field trials held last Saturday and Sunday. Jodi is a Vizsla, a rather rare breed of dog. His brother, Barat's Benz, owned by George Peter of Lake Bluff, took third place.

The competition was sponsored by the German Wire-haired Pointer Club of Illinois. Eighteen dogs were entered in the trials. First place went to Augustina Van Holkenhorn, owned by Al Holk. Fourth place was taken by Hurdles Katrina Konrady, owned by Erik Erickson. Both the latter dogs were German Shorthairs.

The State Field Trials of the Vizsla Club of Illinois will be held Sunday, April 24, at the Wing 'n Fin Club in Volo. The National Field Trials will be held the following weekend, Saturday, April 30 and Sunday, May 1, also at the Wing 'n Fin.

Simon said Jodi will be entered in both competitions.

## Faculty, A-Club To Mix It Up

Antioch basketball fans will have a chance to get a final look at their favorite sport this Friday when the Sequoit A-Club will battle the High School Faculty team.

Antioch Grade School and Oakland Grade School will launch the evening's activity when they take the floor at 7 p.m. Friday. Following this game the faculty men, together with a cheerleading squad of faculty women, will square off against the A-Club in the main event.

"Practically every department of the school will be represented on the faculty squad," an official said, "and we have a few surprises in store. Don't be too alarmed if Ringo, Batman and the Jolly Green Giant should hap-

pen to put in an appearance," he added.

Following the evening of hard court action there will be a record hop free to those who attended the games.

All the funds raised in the benefit affair will go to the A-Club to be used for the purchase of film for taking motion pictures of the athletic events throughout the year.

These films are an invaluable aid to the coaching staff and are also of great benefit to the athletes. College coaches can't possibly get around and see all their prospects in action but if they can view films of a boy's performance it is a great help. Many times it becomes the deciding factor in awarding athletic scholarships.

## Bird Shoot At McHenry

By Harry Stern

The first Spring Bird Shoot of the new season will go off with a bang Sunday, March 27 at the McHenry Sportsmen's trap range, on the west side of Pistakee Bay. It can be reached by route 134 from places east of the Fox River.

With the return of warmer weather, a capacity turnout of trap shooters is expected, especially because of the popularity of the triple white bird shoots which were instituted by the club at their recent shoot; and which will be repeated Sunday.

In this contest three white birds are released from the traps, at unknown intervals, and the lucky shooters who win a prize. The regular birds are yellow.

In addition the shooter with the high score also wins a prize. This means that four prizes are won by every five-man squad.

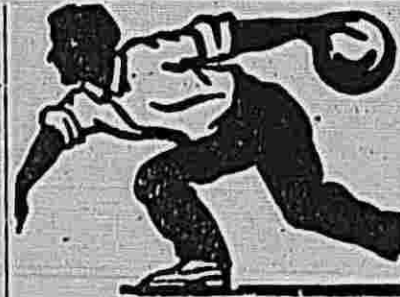

Also on the day's program are double and single white bird contests, Jack Rabbit, Annie Oakley, and protection shoots. Ten and twenty-five round practice shoots will also be on tap.

Lucky winners will have their choice of prime juicy steaks, tender young chickens, rock cornish hens and loading components.

Shooting starts at 10 a.m. and continues until all the scatter bore enthusiasts have had their shots. Hot refreshments will be served up all day in the warm club house, where wives of the shooters brag up their husband's shooting prowess, among other subjects of conversation. Ammunition is on sale for gunners who forgot to bring their own. Watchers and kibitzers are welcome too.

## FUN and FACTS

### About Bowling.....by Dick Ericson

**PUSHAWAY:** A maneuver employed by the smooth bowler. A pleasant chore necessitated by the proximity of adoring fans.

**PUSHAWAY:** A smooth pushaway insures a smooth delivery. From a proper stance, the ball moves out and the right foot moves forward at approximately the same time. The length of the first step is determined by the length of the pushaway. If a bowler is taking a rather large, even awkward, first step, he corrects this by cutting back on the energy he puts into his pushaway—smoothing out his entire delivery. The pushaway starts the bowler into motion. Therefore, it is extremely important.

Zaitz' fine 405-180-200-575 could only salvage one game from Nielsen's Corners.

Pat's Lounge swept three from Open Door Tavern. The Angels took two games from Kempf's Tavern even while giving them 67 pins per game.

## Your Congressman Reports....

By Cong. Robert McClory

Shall the Congress appropriate \$1 million for an official residence for the Vice President and his family? A number of measures are pending before the House Committee on Public Works which would authorize a "Gray" or "Red" House for the Vice President comparable to the "White House" which accommodates our First Family.

It is possible that Vice President Humphrey's unpretentious home in Washington prompted part of the activity to provide him with a more spacious residence. At least, no precedent was established when Lyndon Johnson was Vice President—perhaps because Vice President Johnson and his family occupied a large mansion which had been owned previously by the fabulously wealthy, "the hostess with the mostest," Perle Mesta.

Under the Constitution, the Vice President plays a relatively insignificant role in Government. His sole Constitutional duty is to preside over the Senate. The Vice President is not authorized to speak in the Senate—and the only time he may vote is in case of a tie. Since his election, Vice President Humphrey has had occasion to cast such a deciding vote only once.

The Speaker of the U. S. House of Representatives, the Chief Justice of the Supreme Court and the President pro tempore of the U. S. Senate occupy offices of importance and greater influence than that of Vice President. Accordingly, it is appropriate to ask why they should not be provided with tax-free residences before Congress acts on a measure to provide a home for the Vice President.

Originally, a bill was introduced to appoint a committee to select a site and design for an official residence for the Vice President. The initial price tag on that proposal was \$1 million.

More recently, Congressman Kenneth Gray (D., Illinois) introduced a bill to set aside 10 acres from the U. S. Naval Observatory in Washington and to construct and furnish an official Vice Presidential residence on that site. The bill, if passed, would permit the acceptance of gifts of furniture and furnishings. However, one might well question the wisdom of such a provision.

Some contend that the Vice President needs a large residence in order that he may assume some of the First Family's entertainment responsibilities. Again, one may ask whether the President and First Lady should not eliminate parts of their entertainment schedule. White House entertainment of newspaper editors and publishers, municipal officials, governors, and a myriad of special interest groups would seem to be unnecessarily expensive and burdensome to the President. Congress certainly should not encourage any more activities such as this by financing a second "White House" for entertainment purposes.

It is doubtful that any official residence could be completed in time for Vice President Hubert Humphrey to occupy during his present term. Indeed, Vice President Humphrey does not seem to have been pressing for passage of the legislation which might provide him and Mrs. Humphrey with a lush junior "White House."

Many economies have been recommended by President Johnson. The construction of military housing for Army and Navy personnel has been deferred (including military housing at Great Lakes and Fort Sheridan in our 12th Congressional District). In the face of such curtailment of expenditures and the extraordinary demands for funds for Vietnam, the expenditure of \$1 million for a Vice Presidential residence would appear to be most untimely—and unwise.

## D'Isa Seeks Judgeship

Ezra L. D'Isa, 56, a practicing attorney in Lake County has announced that he is seeking both the Republican and Democratic nominations for Associate Judge of the 19th Judicial Circuit in which Lake County is located.

The nominations will be made at the judicial convention to be held in August.

In announcing his intentions to be nominated by both parties, D'Isa pointed out that he is following the intent of the Judicial Article that is now in effect and whose prime purpose is to take the judicial system out of politics.

D'Isa, who almost unseated the present state's attorney in the last election, said he felt that he had the support of Republicans and Democrats alike in his quest for the judgeship.

"I feel that party politics should be eliminated from the judgeship race," he said, "but it is still the law that you must go before a political convention to receive the nomination."

"I will, therefore, seek to have my name placed before both conventions for their consideration. I feel that my record as an attorney and my showing the previous time I ran will give me that support."

In the last election D'Isa received many thousands more than any other candidate on the Democratic side of the ledger.

Known throughout the county as a "lawyer's lawyer," one to whom other lawyers refer cases, D'Isa has been practicing law as a trial attorney, since 1934 when he was admitted to practice in Illinois.

D'Isa attended Western Reserve University, Cleveland, and received his law degree from Ohio Northern University in 1933.

He has been licensed to practice before the U. S. Supreme Court since 1942 and is a member of the American Bar Association, the Illinois Bar Association and the Lake County Bar Association where he has been chairman of the Ethics Committee for the past two years.

Active in civic affairs, D'Isa was formerly president of the Grant Community High School Board of Education, former president of the Lotus PTA, and for many years served as consultant to Boy Scout groups in the area.

He has practiced trial work in every phase from magistrate court through the Illinois Supreme Court and in the Federal courts.

D'Isa lives at 1313 State Park Road, Antioch Township.

Commander Ferrier,  
Antioch American Legion  
Post No. 748  
Antioch, Illinois

Dear Commander Ferrier:  
The party your American Legion Post 748 provided for ward 4 East was one of the finest they have had. They thoroughly enjoyed the fine selection of prizes and the refreshments of delicious cupcakes and coffee. With Mr. Ott having been a patient on the ward, he was well acquainted with the ward procedures for parties and this had a great deal to do with the smooth progress of the party.

Please express our thanks and that of the patients to all of the members of your American Legion Post for their part in providing such a pleasant afternoon. We hope your group will be interested in coming out again.

Very truly yours,

## G.I. Bill To Benefit Many 12th District Vets

Congressman McClory (R-Lake Bluff) has reported that about 8,650 veterans in the 12th District of Illinois may benefit under the "Cold War" GI Bill which was signed recently by President Johnson.

The new GI Bill provides education and training programs, medical and hospital care, VA guaranteed loans, burial benefits, employment assistance and veterans' preference in employment, all much like the highly successful GI Bills of World War II and the Korean Conflict.

Congressman McClory predicted that over 1,000 veterans from the 12th District will take advantage of the educational benefits. Payments to these veterans should amount to \$695,500 during the first year. Educational provisions in the new law go into effect June 1, 1966, giving the veteran ample time to plan his schooling.

All veterans are eligible under the law if they were on active duty for more than 180 days after January 31, 1955, and honorably discharged, or were discharged with less than 180 days' service because of a service-connected disability.

Monthly payments for education and training are: \$100 for veterans without dependents; \$125 for veterans with one dependent; and \$150 for veterans with more than one dependent. Up to 36 months of schooling or training may be received based on one month for each month spent in uniform. The veteran must complete his program of education within 8 years of his discharge or within 8 years from the effective date of the Act, whichever is later.

The new GI Bill is expected to provide VA guaranteed loans totaling \$2,614,000 and direct loans amounting to \$10,000 to some 160 veterans.

Any persons having specific questions about the new GI Bill may write to Congressman Robert McClory, 1123 Longworth House Office Building, Washington D. C. 20515.

Q: My husband is 66 years old and still working. He refuses to apply for Medicare because he believes it might jeopardize his job. Does his employer have to know if he files a claim?

A: This is a very good question and one that has caused concern. The answer is "no." An employer is not contacted by the Social Security Office without the permission of the applicant.

Q: My mother is too ill to go to the office to sign up for Medicare. What should I do to get her covered?

A: You may obtain an application for her by telephoning the Social Security office. If necessary a representative will call on her at home to complete the forms.

Q: What if I don't like the medical insurance portion of Medicare? May I cancel it?

A: If you sign up now you may cancel your Medicare insurance anytime prior to July 1, 1966. If you wait longer than June 30, you may drop out during the next general enrollment period which will be October - December of 1967.

Q: Under the medical insurance plan of Medicare there is a \$50.00 a year deductible. If I have no medical expense until December of one year, would I have to pay another \$50.00 deductible in January of the next year?

A: No, an exception to the general \$50.00 a year rule is that medical expenses applied to the deductible in the last three months of one year can be applied to the

## Medicare Deadline Near

## MARCH 1966

"Bursting through" March, to make the 31st deadline, may become a necessity for about three million Seniors age 65 and over.

Pointing to the critical M-D Day, with a "You Better Make It By Then" look, is Mary M. Wilson, TV personality on Channel 26, Chicago, and "Miss Social Security" of greater Chicago, urging that now is the time to beat the deadline.

Unless timely action is taken, eligible Seniors will have to wait two more years before coverage can start.

deductible of the following year.

Q: I wish to complete a claim for benefits; however, I am having difficulty locating proof of my age. What should I do?

A: We suggest that you call at your local Social Security office as soon as possible and sign an application. Any delay due to your writing for proof of age could result in lost checks or protection.

Q: I wish to sign up for Medicare, however, I do not have a Social Security number. Should I wait until I receive a number before applying for Medicare?

A: (This question is asked

daily by Lake-McHenry County residents.) No, apply now. Anyone 65 or over by January 1, 1966 wishing coverage under Medicare must sign an application by March 31, 1966. It is not necessary that you have a Social Security number before completing this application.

Individuals having any questions about their Social Security program should contact their local office. The Waukegan office, located at 2500 Grand Avenue, will continue to stay open on Monday evenings until 9:00 p.m. and Saturdays to 12:00 noon. This is in addition to regular office hours of 8:45 a.m. to 4:45 p.m. Monday through

#### VERTIGO MAY SIGNAL TROUBLE

Children at play sometimes make themselves dizzy by whirling, then stopping suddenly.

On occasion, you've probably experienced this same type of dizziness when you turn your head or rise from a stooping position quickly. This momentary feeling of dizziness occurs when sensitive receptors in your inner ear do not keep up with quick movement and, consequently, are delayed in relaying your change in position to the brain.

Sometimes, however, dizziness may occur when there is no motion at all. When this happens, the dizzy sensation may produce a strong feeling that your whole body is rotating, or that your environment is revolving around you—a condition known as vertigo. If vertigo is persistent or severe, or accompanied by nausea, it's a definite warning that something's wrong—most likely in the inner ear.

Any number of things may cause vertigo by triggering a disturbance in the inner ear. ANEMIA can affect the inner ear by preventing sufficient blood from circulating to the inner ear.

EMOTIONAL AND NUTRITIONAL UPSETS may disturb the circulatory system, causing spasmodic contractions of inner ear blood vessels.

OLD AGE, which brings about hardening of the arteries, frequently results in poor blood circulation to the inner ear.

INFECTIONS IN THE MIDDLE EAR, TEETH, TONSILS, ADENOIDS OR SINUSES can cause inflammation in the inner ear. The same holds true for the dangerous infections of mumps, measles and whooping cough.

SUDDEN BLOWS ON THE HEAD frequently injure the delicate inner ear. And they need not be severe. A flat hand blow on the ear can cause as much damage as a concussion.

Illinois traffic law requires bike riders to ride on the right side of the street or road. Remember—bikes are subject to the same traffic rules as cars. If bike riders follow one set of rules and motorists another—the result is confusion—and accidents! Bike riders must obey traffic rules to be safe.

#### The Law Serves You

##### MECHANIC'S LIENS

Every time you hire a handyman to resurface your driveway, or have a contractor build a garage, add a room or a new picket fence, the law of Illinois creates a security called a "mechanic's lien" in favor of the workman or supplier, and against your home.

This statute provides that any time you enter into a contract calling for repairs or additions or materials or labor, for repair or improvement of your property, a mechanic's lien arises to help assure the workman that he will be paid for the goods and services he devotes to your property.

If he takes the steps necessary to protect the lien and he is not paid when his bill comes due, the law gives him the right to foreclose his lien by having the property sold at a public sale. He is then paid the amount of his lien from the amount realized from the sale.

Under Illinois law, a mechanic's lien comes into existence at the time the property owner or his authorized agent enters into a contract to improve the property with a workman, contractor or supplier. This usually occurs prior to the time work actually is done.

In a case where ownership of the land has changed hands after the work has been completed and payment has not been made, no mechanic's lien is effective unless a "claim for lien" has been filed with the County Recorder within four months after completion of the work. In any case, a mechanic's lien automatically expires unless a suit to foreclose it is begun within two years after the work is completed.

##### Protecting the Buyer

How can you be sure there are no mechanic's liens against property that you buy? One way is to check the County Recorder's books for mechanic's lien claims

against the property.

A more practical method is to examine the property for evidence of improvements within the past four months. If you have any reason to believe there have been recent improvements, require the seller to show he has paid bills from all workmen and suppliers. Otherwise, you may have to pay his bills.

Present Illinois laws regarding mechanic's liens cannot protect a buyer from a hidden mechanic's lien. Even if the contract to purchase a home calls for a guaranteed title policy or a readily transferable title, referred to as a "merchantable title," the usual forms of title insurance and abstracts do not protect against hidden mechanic's liens.

##### Subcontractor's Liens

A very real danger to purchasers of new buildings is the "subcontractor's lien." A contractor who works for a general contractor, supplying labor or materials to him, also has the right to file a mechanic's lien against the property. Before paying the general contractor, an owner

or buyer should make certain that all the subcontractors have been paid in full or have waived their liens in writing.

"The Law Serves You" is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law.

To drive defensively we must learn to anticipate the action of other drivers, and this can be accomplished only by staying alert. Defensive driving requires that we must learn to recognize traffic hazards, understand the defense against them and act in time to prevent the accident.

## Urge 'Over 65' Group To Sign Up For Medicare

Do you know someone who is 65 years old, or older? Does he know about "Medicare"? Has he signed up for "Medicare"?

Bernard Barnett, District Manager of the Waukegan Social Security Office says that there are still many eligible persons in the Lake-McHenry County area who have not enrolled for "Medicare." To get the benefits provided by the supplementary medical insurance portion of "Medicare" must enroll by March 31, 1966. "We believe," Mr. Barnett added,

that those who have not enrolled might not understand the program, or they might, because of their age, be unable to visit a social security office.

Mr. Barnett urged that everyone should check with his relatives, friends, acquaintances, neighbors, and co-workers who are 65 or over to see if they have signed up for "Medicare." If you find someone unable to go out of the house, notify the Social Security Office, and a field man will call on the person at home.

The March 31st deadline is important to anyone who was age 65 on or before January 1st of this year because failure to sign up on time could result in lost protection for at least two years.

"Anyone who still has questions about 'Medicare' should get in touch with the Social Security Office," Mr. Barnett concluded. "We are anxious to make sure that everyone who is eligible makes an informed decision about 'Medicare' and that they make it before Mar. 31."

As an added convenience for people who cannot call at the Waukegan office during regular hours, special hours have been arranged. The office will be open on Mondays until 9:00 p.m. and Saturdays until noon. The office is located at 2500 Grand Ave.

## Check Income Tax Returns Carefully

Common errors in filing Federal tax returns complicate the processing of taxpayers' refunds, said E. O. Coyle Jr., District Director of Internal Revenue in Chicago. Simple errors on returns delay refunds and cause taxpayers trouble.

Mr. Coyle suggests this simple checklist:

1. Check arithmetic.
2. Attach all Forms W-2.
3. Sign your return. (Both husband and wife should sign a joint return.)
4. Print or type name and address, and write figures plainly.
5. Use correct tax table.
6. Total your deductions if you itemize on page 2.
7. List your Social Security number correctly. (Both husband's and wife's number should be reported on joint return.)

"You can save your government as well as yourself valuable time and money by carefully checking your 1965 tax return before you mail it."

**MEASLES CAN BE DANGEROUS**  
 Measles can lead to brain damage and mental retardation according to the Illinois Council for Mentally Retarded Children. Parents are urged to have all children, 9 months and older, immunized against measles today.

As an added convenience for people who cannot call at the Waukegan office during regular hours, special hours have been arranged. The office will be open on Mondays until 9:00 p.m. and Saturdays until noon. The office is located at 2500 Grand Ave.

## Rhubarb Pie Deserves Flaky Tender Crust

Strawberry pink rhubarb peeking from the cut-outs of flaky pastry is a certain sign of spring to many. If the distinctive flavor of this fruit is a favorite, then this is the dessert above all others to have.

It's easy to work the lard into the flour mixture, says Reba Stagg, home economist. The lard can even be used directly from the refrigerator for this recipe.

**Pastry**  
 2 cups sifted enriched flour  
 1 teaspoon salt  
 2/3 cup lard  
 4 to 6 tablespoons ice water  
 Mix flour and salt. Cut lard into flour until crumbs are about the size of small peas. Add ice water, a little at a time, mixing quickly and evenly through flour with a fork until dough just holds in a ball. Use as little water

as possible. Divide pastry in half. Roll half of pastry to about 1/8-inch thickness and line a 9-inch pie pan, allowing 1/2-inch of pastry to extend over edge. Prepare Rhubarb Filling.

**Rhubarb Filling:**  
 1 1/2 cups sugar  
 1/4 cup flour  
 1/4 teaspoon salt  
 1 pound rhubarb, cut in 1/2-inch pieces (about 3 cups)  
 1 tablespoon butter or margarine  
 Mix sugar, flour, and salt. Combine rhubarb with one-half the sugar-flour mixture. Pour filling into unbaked pastry shell. Sprinkle remaining mixture over filling. Dot with butter or margarine. Roll out remaining half of pastry and cut into 6 equal triangular shaped pieces. Place over filling with points toward center. Bake in a hot oven (400 deg. F.) 40 to 50 minutes. Yield: one 9-inch pie.

## Legal Notice

### NOTICE TO BIDDERS

#### ANITA STREET TRUNK SEWER

#### SOUTHEAST AREA SANITARY SEWER IMPROVEMENTS

#### ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 875 Main Street, until the 5th day of April, 1966, at 8 p.m., Central Standard Time, for the construction of sanitary sewer improvements, at which time and place the bids will be publicly opened and read. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done is as follows:

Contract No. 1

Construct approximately 1,465 linear feet of 14" & 15" inch internal diameter sanitary sewer, including manholes, utility relocation and reconstruction, surface restoration and other incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 940 East Northwest Highway, Mount Prospect, Illinois.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to by an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100% of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within ten (10) calendar days after date of written notice to proceed, and all work shall be completed within forty-five (45) calendar days after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by state statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

NOTICE TO BIDDERS ANITA STREET TRUNK SEWER

SOUTHEAST AREA SANITARY SEWER IMPROVEMENTS

ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 875 Main Street, until the 5th day of April, 1966, at 8 p.m., Central Standard Time, for the construction of sanitary sewer improvements, at which time and place the bids will be publicly opened and read. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done is as follows:

Contract No. 1 Construct approximately 1,465 linear feet of 14 & 15 inch internal diameter sanitary sewer, including manholes, utility relocation and reconstruction, surface restoration and other incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 940 East Northwest Highway, Mount Prospect, Illinois.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to by an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100% of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within ten (10) calendar days after date of written notice to proceed, and all work shall be completed within forty-five (45) calendar days after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by state statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

### Christened

Gregory John Zegan was baptized at Prince of Peace Church recently. He is the son of Mr. and Mrs. Richard Zegan, 2423 Sand Lake Road. Godparents were Mrs. Zegan's cousins, Mr. and Mrs. James (Joan) Kalpiers of Minneapolis, Minn.

### Fashion Show

The Fashion Show presented by the Altar and Rosary Sodality of Prince of Peace Church was well attended.

Greeting you as you entered were the eighth grade hostesses Connie Rozga, Joanne Lavallo, Marianne Matsie, Barbara Brendel, Kathy Koenig, Pat McCarthy, Susan Saran, Pam Huber, Cathy Rosal and Julianne Wazak. The girls served the light supper.

Annabelle Leavy was chairman and Pearl Kockler, refreshment chairman.

Mrs. Dorothy Kovanda, president, announced that the April meeting would be held March 30, so that it wouldn't interfere with Holy Week.

### Prince of Peace Church

The Altar and Rosary Sodality will meet Wednesday, March 30, after the Lenten services.

Starting Sunday, there will be more English in the Mass. In addition to the present English in the Liturgy, the following English will be added: all the orations, the collect, the Prayers over the Gifts, Prayer after Communion, the preface with the introductory dialogue, the prayer after the Our Father, all short greetings and introductions. The Dismissal will be changed to "The Mass is ended. Go in Peace."

Two members of the congregation will bring up to the Altar the bread, water and wine for the offertory.

Reservations for the Parent-Child Conference on April 3, from 7 to 10 p.m. may be made by calling Mrs. Donald Wismer or Mrs. Tony Coia. Refreshments are to be served, and the committee wants to know how many to prepare for.

**St. Mark Lutheran Church**  
The A.L.C.W. will hold a board meeting at the home of Mrs. Ed Erbers on Grand Avenue Thursday, at 9:30.

Luther Leaguers will visit the State Penitentiary at Joliet next Sunday afternoon. They will stop at a drive-in enroute.

Mr. and Mrs. William (Esther) Kaub provided the flowers for the church last Sunday on recognition of their 27th wedding anniversary, March 19. They repeated their vows again at the altar at the Couples Club Saturday evening.

Easter Sunday Worship will be at 6:00 a.m. and 10:30 a.m. Easter Breakfast will be served by the ladies of the A.L.C.W. between the two worship periods, beginning at 7:30 a.m. Reservations should be made as soon as possible.

### Mother - Daughter Banquet

Junior Girl Scout Troop 296 of Lindenhurst held their Mother and Daughter banquet last Wednesday at the Civic Center. Sixteen of the eighteen girls in the troop and their mothers enjoyed a delicious supper.

The banquet opened with a flag ceremony. At the tables the girls sang "Grace." After the dinner they gave a choral reading. The honored guests were introduced: Mrs. George Derderian, Sequoyah Neighborhood chairman; Mrs. Lester Surrock, Troop Organizer; and Mrs. Robert Manu, president of the Lindenhurst Women's Club, sponsor of the troop. Mrs. Frank Henry, Troop Consultant, also was present, having a daughter in the troop.

Mrs. Ted (Lois) Flanagan, leader of the troop, gave membership cards to the committee mothers. March

is registration month. Co-leaders of the troop are Mrs. Hedy Nauer and Mrs. Jean Saran.

The girls in the troop made lint dusters for their mothers. Their bright colors were very attractive. They also made napkin rings.

### Undergoes Surgery

Twelve year old Donna Sokup had minor surgery on her eye last Thursday, at Billings Hospital in Chicago. She expects to undergo major surgery Tuesday. Get well cards will help to brighten her stay in the hospital. She is in the Bob Roberts Building. We all send wishes for a speedy and complete recovery.

### Celebrate Golden Wedding Anniversary

Mr. and Mrs. Louis (Hilda) Rechterman, 114 N. Hickory Dr., celebrated their golden wedding anniversary at an open house on March 12, at the home of their son, Arthur and his wife Harriet, at Morton Grove. A buffet dinner was served to 70 relatives. Guests, including Mrs. Rechterman's two sisters, their grandchildren, great-grandchildren and great-great-grandchildren of Homer, Nebraska, and from Maquoketa, Iowa area. Local guests were Mrs. Art Sundin and her daughter, Robin, of Lake Villa. Among the lovely gifts they received was a money tree.

The Rechtermans were married at a Lutheran Church in Lost Nation, Iowa, March 15, 1916. They have two children, Arthur, and Mrs. Lee (Arlene) Jordan of Venetian Village. Arthur has three daughters, Mrs. LeAnn Marshall and Mrs. Lynn Hanson of Racine; and Mrs. Laurel Sabey of Wauconda, and a son, Allen.

Mr. Rechterman celebrated his 74th birthday on March 18, and Mrs. Rechterman will be 74 on May 19.

### Surprise Party

John and Georgia Sutherland were guests of honor at a surprise party Sunday afternoon in the home of John and Betty Janega. The Sutherlands will celebrate their 25th wedding anniversary March 22.

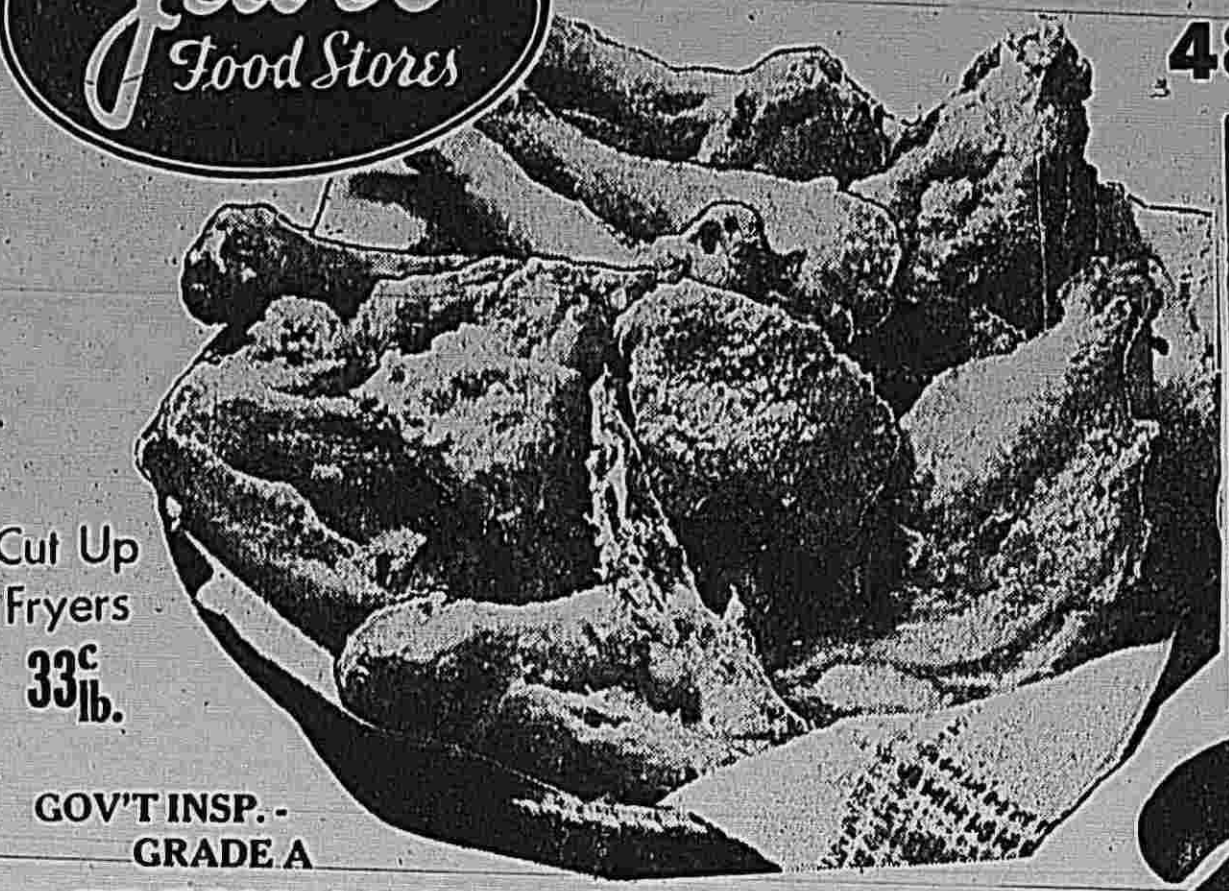

### Auto-Bicycle Accidents

More than 2,000 young people were injured and 25 were killed in auto-bicycle traffic accidents last year in Illinois. Many of these tragic accidents could have been avoided had the bike riders obeyed the traffic rules. Bike riders must learn and obey traffic regulations!
